MONARCH GRAND VACATIONS

We are pleased to announce that all owners of the Monarch Grand Vacations are now able to search availability and schedule vacations online at DiamondResorts.com.

As part of delivering this service, we have increased for usage purposes:

- The points credited to you at the beginning of each use term.
- The Points Use Schedule establishing the number of Diamond equivalent points needed to reserve accommodations in the reservation system for each unit type, season, and day of the week.

As you know, your points represent the symbolic unit of measurement of your rights within the reservation system. We are proportionately increasing both your points and the schedule to align with Diamond Resorts points schedules already in use at DiamondResorts.com.

As an owner of Monarch Grand Vacations, the points you are allocated for use each 24 month use term has been increased by a factor of 60 to align with Diamond Point values.

FOR EXAMPLE:

- On January 17, 2005, Mary purchased 100 points of Monarch Grand Vacations. Her transaction closed escrow in early February, and her anniversary was set as April 1, 2005. She had to make use of these points by March 31, 2007. She was allocated 100 points on April 1, 2005 and subsequently on April 1, 2007/2009/2011 with the same 2 year use term. For usage purposes, moving forward instead of 100 points each use term, Mary will be credited with 6,000 Diamond equivalent points at the beginning of each use term.
- On July 12, 2006 John purchased 155 points of Monarch Grand Vacations. His transaction closed escrow in late July, and his anniversary was set as September 1, 2006. He had to make use of these points by August 31, 2008. He was allocated 155 points on September 1, 2006 and subsequently on September 1, 2008/2010/2012, with the same 2 year use term. For usage purposes, moving forward instead of 155 points each use term, John will be credited with 9300 points at the beginning of each use term.

Both the Points Use Schedule and points for all Monarch Grand Vacations owners have been adjusted similar to the examples illustrated above. It is our hope that you recognize that this adjustment in the symbolic currency of measurement will not impact your ability to continue to enjoy vacations as you have in the past. If you have any questions, please feel free to visit the FAQ section of our website.

Additionally, we have adjusted the Points Use Schedule by the same factor of 60.

The Kenmore Club

Kenmore by Aberfeldy
Perthshire
PH15 2HH
Scotland
011.44.01887.830555

The Kenmore Club is the home away from home you've always longed for.

Situated in this most picturesque of Scottish villages—street lighting is somewhat frowned upon here as they prefer the light of the stars—Kenmore is dominated by the calming waters of Loch Tay.

The Kenmore Club's charming cottage-style accommodations are in keeping with the local environment, making you feel completely at home. Of course, creature comforts abound and just across the way you will find Scotland's oldest inn, with a chimney breast inscribed by the hand of Robbie Burns himself.

HOW TO DETERMINE HOW MANY POINTS ARE REQUIRED

The points values for all of the resorts are listed within this Directory and are available online. To establish how many points are required, take the following steps:

1. Determine the preferred dates of travel.
2. Check the proposed travel dates against the weeks calendar for the year of travel to determine the week number. The weeks calendar can be found on pages 90-91.

3. Select the preferred resort and use the grid to select the accommodation type and corresponding week number.

This Directory will indicate the number of points required for a week's stay when checking in on a standard check-in day. Specific check-in days are indicated below each resort listed in this directory.

MAXIMIZE VACATION FLEXIBILITY

You can request accommodations at Club Connection resorts up to 10 months in advance of the desired arrival date of your booking. The reservation request window for the resorts within the Monarch Grand Vacations remains unchanged.

RESERVATION CANCELLATION

The reservation cancellation policy for Monarch Grand Vacations owners remains unchanged.

SHORT STAY POINTS VALUES

Reservations with a duration of less than seven nights are available at certain Club Connection resorts. This also applies to additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy). The points calculation for a stay of less than seven nights at a Club Connection resort is as follows:

- **SUNDAY to THURSDAY** inclusive; each night is **10%** of the weekly points value
- **FRIDAY** and **SATURDAY** nights; each night is **30%** of the weekly points value
- Points values for **SHORT STAY** bookings made within 30 days of arrival are discounted by **50%**

Reservations made for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

EXCEPTIONAL VALUE ON RESERVATIONS LESS THAN 59 DAYS FROM ARRIVAL

For some Club Connection resorts, if there is availability 59 days or less prior to arrival, then the standard check-in day weekly points values are discounted by 50%. For short stay points values a 50% discount will apply to all reservations made within 30 days of arrival. These reservations offer exceptional value for those with flexible travel plans and are offered on a first-come, first served basis.

CLUB CONNECTION BONUS TIME

Club Connection Bonus Time allows you to book your stay 21 days or less in advance of your arrival date at preferred rental rates. Club Connection Bonus Time rates are only available at selected resorts within Monarch Grand Vacations Club Connection. The minimum number of nights is two.
