

## 2013 Mainland Spain & Balearics Resort Update

### **GARDEN LAGO**

Two apartments were fully refurbished in 2013. Tropitone sun beds were purchased for the pool. All apartment terraces now have the new style tables and chairs.

Garden Lago has been certified *Gold Crown* by RCI and a *Select Resort* by II.

The resort has received *TripAdvisor*, *Booking.com*, *Holiday Check* and *Zoover* awards.

It is anticipated that TATOC accreditation will be undertaken in 2014.

### **LOS AMIGOS BEACH CLUB**

Nineteen apartments have been fully refurbished; ten are one bed apartments, five are studio suites and four are three bedroom apartments.

The third part of the resort has been painted, including balconies and iron bars. Window shutters have been installed in twenty apartments to improve insulation.

The tennis court and mini-golf area has been paved and a ramp built to improve accessibility to this area of the resort.

A new roof has been installed over the indoor pool. New sunbeds have been purchased for the Los Lagos swimming pool area and Tropitone tables and chairs have been purchased to complete all apartments.

A complete makeover of all pathways around the resort, including ramps and fencing, has been undertaken this year as part of a three year project to complete the whole resort.

Los Amigos Beach Club has been certified *Gold Crown* by RCI and a *Select Resort* by II.

The resort received *TripAdvisor*, *Booking.com* and *Holiday Check* awards.

Los Amigos Beach Club has been TATOC accredited since 2011.

## 2013 Mainland Spain & Balearics Resort Update

### ROYAL OASIS CLUB AT PUEBLO QUINTA

This year has seen the completion of full refurbishment in seven apartments, the installation of air conditioning sensors in windows and doors of a further forty-nine apartments, partial renovation in nine apartments, and the installation of a pool hoist in the spa area.

Pueblo Quinta has been certified *Gold Crown* by RCI and a *Premier Resort* by II.

The resort received *TripAdvisor* and *Booking.com* awards.

It is anticipated that TATOC accreditation will be undertaken in 2014.

### SAHARA SUNSET CLUB

Ten apartments in the Royal Gardens building have been refurbished. The island and mermaid at the main outdoor pool have been removed. New floor tiles have been placed in the corridors and stairs to the Royal Mirage building. New bedroom furniture and curtains were purchased for the Royal Mirage and Royal Dune buildings along with new covers for the air conditioning compressors at the entrances to Royal Palms and Royal Oasis.

Sahara Sunset Club has been certified *Gold Crown* by RCI and a *Select Resort* by II.

The resort received *TripAdvisor* and *Booking.com* awards.

Sahara Sunset Club has been TATOC accredited since 2011.

### WHITE SANDS BEACH CLUB

Five apartments have been fully refurbished.

The team has continued with the replacement of wooden doors and windows with aluminum, completing the main entrances in block 3. Continuing with our environmentally friendly policy, sensors have been installed in all apartments in order to cut off the air conditioning when doors and windows are open. Electronic key holders have also been installed to switch general electricity on and off in each apartment.

White Sands Beach Club has been certified an *Affiliate Resort* by II.

The resort has received *TripAdvisor* and *Booking.com* awards.

It is anticipated that TATOC accreditation will be undertaken in 2014.
