A Question and Answer Session will be held following adjournment of the meeting.

Florida law requires that timeshare condominium associations either assess an amount to fully fund the reserve account, or to waive full funding. The Board and management company have set the level of reserves that it believes is correct. A third-party, independent reserve study is used to project the reserve funds needed on an annual basis, and future reserve expenditures are considered and planned using an inflation factor for costs, and an industry average useful life that has been adjusted for resort-specific conditions and historical experience for each asset. The reserve fees required are calculated in order to collect what is necessary to fund the upcoming projects, while also maintaining a fund balance that will allow for unexpected or emergency replacements that occur from time to time. The Board recommends that you return your proxy with a vote to waive fully funding.

If you will be unable to attend the Annual Meeting, please sign and return the enclosed proxy. In order to conduct official business at the owners meeting, quorum must be reached. You may designate your proxy to an individual that will be in attendance at the meeting by writing that individual's name in the space provided. If you leave it blank, the Board of Directors of the Association will be designated as your proxy holder. Proxies are only valid for tabulating representation for quorum and items of business presented at the Annual Meeting. If enough proxies are not received and quorum is not met, another meeting must be convened, during which time additional proxies may be collected. Holding a reconvened meeting is an extra expense to your Association, so please return your proxy as soon as possible. **Your attendance or proxy is important so that quorum may be reached and Association business may be conducted.** All members in good standing as of the date of this meeting will have the opportunity to vote; however, all proxies must be received by Wednesday, August 21, 2019 at 5:00 p.m. Eastern Time. You may also return your proxy via the Internet by logging on to www.GB2vote.com and entering your e-mail address and password located on the upper right of your enclosed proxy. Note: If your e-mail address is not on file with Diamond Resorts, a temporary e-mail code has been provided in the upper right of your enclosed proxy.

Please call the resort at 1.407.238.2500 if you have any questions. We look forward to seeing you at this meeting. The Board appreciates your support and would like to hear from you with any comments you may have about the Association. Your participation is vital. If you cannot attend in person, **please return the signed and dated proxy in the enclosed envelope to: Nordis Proxy Processing Center, PO Box 9759, Coral Springs, FL 33075-9759.**

Sincerely,
DIAMOND RESORTS MANAGEMENT, INC.

To opt in for e-mail delivery of these required meeting notices, please go to www.GB2optin.com and enter your e-mail address and password located on the upper right of your enclosed proxy. BOARD OF DIRECTORS BUDGET MEETING NOTICE

July 2019

Dear Grand Beach II Owner,

The Board of Directors meeting to approve the proposed 2020 Operating and Reserve Budget will be held at 1:00 p.m. Eastern Time on Wednesday, August 28, 2019 at an off-site location: Grande Villas Resort, 12118 Turtle Cay Circle, Orlando, Florida 32836. Although owners do not vote on the budget, the meeting is open to all owners.

It is our pleasure to propose a budget with only a very small increase in the overall maintenance fee of approximately one percent. Operating costs are expected to increase slightly next year, including the cost of labor, insurance and property taxes. We've included modest payroll increases due to rapid growth in wage and salary rates in the Orlando area; we must budget to raise our pay scale in order to remain competitive as an employer of choice and to be able to fairly compensate our team members. Your management team and board will carefully review all operating and reserve expenditures, and look for opportunities to gain efficiencies and save money while maintaining the service and quality that you expect from your resort experience. A copy of the proposed budget with an average increase of just 1.2% is enclosed for your review and records.

We would like to remind you of the convenience and cost savings recognized when paying your maintenance fees online with the electronic funds transfer (EFT) option. Payments made on credit cards cost your association merchant fees which ultimately are passed back to owners through the association's operating costs, and checks require your time, paper products and postage!
