We're pleased to be your partner in maintaining great oral health. The Delta Dental Premier plan makes it easy for you to find a dentist, and easy to control your costs when you visit a network dentist. Here are some of the great things you'll need to know about enrolling with Delta Dental:

- Control costs with a Premier dentist.
 Our Delta Dental Premier network
 dentists accept contracted fees for
 covered services they provide you, so
 you'll usually pay the least when you
 visit a Premier network dentist. This
 also ensures Delta Dental dentists
 won't balance bill you the difference
 between the contracted amount and
 their usual fee.
- Visit the dentist of your choice.
 Want to visit a non-Delta Dental
 dentist? No problem. You can visit
 any licensed dentist, but your costs
 are usually lower when you see a
 Premier dentist.
- Many network dentists to choose from. Since Delta Dental offers access to one of the largest dentist networks in the U.S., chances are there's a wide choice of network dentists near your home or office. Four out of five

- dentists nationwide are contracted Delta Dental Premier dentists, giving more enrollees convenient access to more dentists. Visit us at deltadentalins. com to search our dentist directory by location or specialty.
- Easy to use your benefits. When you visit a Delta Dental dentist, pay only your portion for services. Delta Dental dentists will file claim forms for you and receive payment directly from us.
- Delta Dental's Online Services make getting information quick and easy.
 Access your benefits and eligibility, print ID cards and get information about your claims. And check out Delta Dental's oral health resources for tips and information that can help keep your smile healthy.
