## LET'S BEGIN!

In the left-hand navigation or the middle window entitled 'My Reservations', select 'Book with Simple Search' which will allow you to search availability using Resort Points. All availability offered is in real time.

The screenshot shows a user dashboard with a dark blue header and a white main content area. The header is divided into four sections: Account Summary, Reservation, Financial Summary, and Snapshot. The Account Summary section includes fields for Name, Address, Country (CANADA), and Email, with an 'ACCOUNT INFORMATION' button below. The Reservation section shows the next reservation date (24-Apr-2016) and location (Vancouver), with a '>> more' link. The Financial Summary section lists Annual Fee, Balance Due (C\$0.00), Last Payment (C\$), and a 'MAKE PAYMENT' button. The Snapshot section shows Member No., 2016 Remaining Points, 2017 Points Allocated, Since (01-Sep-1996), Type, and Level (Owner). Below the header is a 'Member Area' bar with a 'Contact Us' button. The main content area features a left-hand navigation menu with 'My Account', 'My Reservations', and 'My Community' options, and an 'Expand Menu' link. A 'WHAT'S NEW' section highlights 'Book with Simple Search', 'Confirmed Reservations', and 'Locations'. Below this are three menu cards: 'MY ACCOUNT MENU' (with a photo of a couple and a 'MORE INFO' button), 'MY RESERVATIONS MENU' (with a photo of a resort and a 'MORE INFO' button), and 'MY COMMUNITY MENU' (with a globe image and a 'MORE INFO' button). Each menu card includes a 'Please select a category' prompt and a specific action link: 'Make Payment' for the account menu, 'Book with Simple Search' for the reservations menu, and 'What's New!' for the community menu.

## DESTINATION: SEARCH BY LOCATION

Simple Search provides 'Select by Location' offers you two ways to choose your destination:

- **Specific Location:** If you want to view availability for a specific Club or ExtraOrdinary Escapes location, you can select the name of the location you want to visit.
- **Region:** If your interest is in visiting a particular area, then you can choose 'State', 'Province', or 'Country' to view availability for all properties located in that region.

The screenshot shows the 'Simple Search' interface. At the top, there are navigation links for 'Member Area', 'Online Reservations', and 'Contact Us'. Below this is a 'Simple Search' section with a help icon and a message: 'Please hover over a help icon below for assistance with completing your search.' A sub-header reads: 'Simple Search: Vacation planning made easy. Search availability, review vacation plans and plan your next getaway with a click of a button.' ## OPTIONS TO INCREASE YOUR SEARCH RESULTS

- You can broaden your search by location, choosing region or country rather than a specific Club destination.
- Try searching by experience instead of location. If your favorite activity on vacation is skiing, you may find a Club or ExtraOrdinary Escapes destination that offers skiing in a location you had not considered.
- Review your arrival date range; if you broaden the range you can see what is available if you were to arrange your trip differently.
- Try changing the number of nights you have entered. If you enter 7 nights, you will only see properties where there is availability for the specific number of nights you have entered. If you would also enjoy a vacation with a 5- or 6-night stay, entering a different number of nights can increase your choices.

## VIEWING SEARCH RESULTS

You can click on any of the column titles (i.e. Location, Resort, etc.) to sort the results by that information. For example, clicking on 'Check-in' will show you the availability ordered by arrival date. If you click on 'Points', you can see availability starting with the best value (least amount of points).

Canada	<a href="#">Embarc Resorts - Blue Mountain</a> ?	<a href="#">1 Bedroom Ground Floor (4)</a>	22-Apr-2016	26-Apr-2016	45	<a href="#">BOOK IT!</a>

**Note:** The Comfy/Max occupancy advice is indicated under the Room Type heading to insure that you are choosing a Vacation Home that your traveling party will be able to comfortably share.

## EXPLORING SEARCH RESULTS

If you would like more information on the Club destination or on a particular Vacation Home, you can click on the property name or vacation home links for more detailed descriptions. Another tab will open on your browser with detailed information, so your original search results are still viewable.

<u>Location</u>	<u>Resort</u>	<u>Room Type</u> ( <u>Occupancy</u> )	<u>Check-in</u>	<u>Check-out</u>	<u>Points</u>	<u>Book it</u>

Click to here to see more information on the Vacation Home.

**Tip:** When searching for availability, please make sure the arrival date is within the appropriate booking window, and that nights indicated fulfill the minimum stay requirement, if any. If it is not within the time of booking, or less than the minimum number of nights, the search will return as no availability.

## CHOOSE YOUR PERFECT VACATION!

When your successful search has been completed and you can review all your choices, then it's time to decide which beautiful destination and Vacation Home options will best deliver your perfect vacation!
