Take a look at our mouth-watering range of new dishes to tempt every taste bud, from delicious starters and desserts to a great choice of main courses. Particular care is given to the provenance and seasonality of ingredients and the menu features classic international dishes as well as a chance to experience local favourites. Our complete menu is prepared using fresh ingredients; even our hand tossed pizzas are prepared using imported produce to ensure authentic flavours. As well as our extensive menu selection our chef's prepare a selection of "Daily Specials" which team members will be delighted to explain to you. Remember that some of the daily specials will be available within your half board options. Our head chef Matthew hails from the UK, his team from differing parts of Europe, so we have an international feel within our kitchen where all are encouraged to be creative. My family will be celebrating our 20<sup>th</sup> year in Las Casitas in 2018 and will always try to introduce new dishes, and special offers, and of course reintroduce old favourites. We hope you enjoy your visits with us and our team.
