

THE HISTORIC POWHATAN RESORT

Terrain:	The resort is generally flat with paved pathways and the roadways are maintained. There are two speed bumps on property.
Communal areas:	<p>Front Office: Main entrance is wheelchair accessible with manual door.</p> <p>Reception Area: Wheelchair accessible and lower counter.</p> <p>Restaurant/Bar: Wheelchair accessible via a ramp that leads up to The Bar, Kitchen Restaurant and Grille Restaurant with two sets of doors that are manual. Both restaurants have tables that a wheelchair can roll up to.</p> <p>General Store: Wheelchair accessible via ramp</p> <p>The Arts and Craft Center: Wheelchair accessible and located in the Reception Building; no steps.</p> <p>Recreation Desk: Located on the bottom level of The Bar and Grille Restaurant and can be accessed through the indoor pool door with one step. Wheelchair user - assistance needed with one step.</p> <p>Game Room: Wheelchair accessible via ramp</p> <p>Outdoor Pool: Wheelchair accessible with level entrance outdoor pool deck. Pool hoist/lift</p> <p>Indoor Pool: Accessed by one step. Pool hoist /lift.</p> <p>Restrooms: Wheelchair accessible in lobby, general store and pools</p>
Parking:	There are four disabled parking spaces available for all units. Resort has lots of parking spaces that are close to building on the flat and paved parking areas.
Accessible Accommodations:	<p>There are four accessible units on property that have a 33" door opening. All have two bedrooms and two bathrooms with outside ramp access. Each room in the unit has a strobe fire alarm, roll-in shower, lever door handles and grab bars in the bathtub. The sink in the kitchen and bathrooms are lowered and open underneath.</p> <p>There are 2 HARC systems that include a telephone with keyboard, door bells, smoke alarms, alarm clock and telephone amplifier. Building 84 has accessible ramp for ground floor - no accessible units.</p>
All Accommodations:	The units are located across a number of individual buildings, which have either two or three floors accessible only by stairs. The buildings are located throughout the 256 acre plot. Depending on where these are situated, a car may be needed to travel to the communal areas detailed above.
Equipment Available (on request):	Tub/shower chair and toilet seat riser.
