The Kenmore Club

Kenmore by Aberfeldy
Perthshire PH15 2HH
Scotland
011 44 01887 830555

The Kenmore Club is the home away from home you've always longed for.

Situated in this most picturesque of Scottish villages — street lighting is somewhat frowned upon here, as they prefer the light of the stars — Kenmore is dominated by the calming waters of Loch Tay.

The Kenmore Club's charming cottage-style accommodations are in keeping with the local environment, making you feel completely at home. Of course, creature comforts abound and, just across the way, you will find Scotland's oldest inn, with a chimney breast inscribed by the hand of Robbie Burns himself.

Membership Guide

What is Premiere Club Connection?

Accommodation choices at selected our owned, managed and affiliated resorts have been allocated for the Premiere Club Connection. In addition to our resorts, Premier Club Connection offers a global array of member benefits, discounts and offers.

1. Your Membership

1.1 Designated Members

Each membership must have a designated primary Member who is an individual to whom all communication and invoicing will be sent. Associate Members are nominated by the primary Member and are usually Members of the family or close friends. They can make a booking either on the primary Member's behalf or for themselves using the primary Member's points without needing further permission. In the event of a dispute between Members of the same membership, the decision of the designated primary Member shall be final.

1.2 The Club Points Allotment

Upon paying your fees, you will receive your annual allotment of points.

Once allocated you may choose to:

- Book a vacation at the resorts listed in this book
- Save your points for use during the following year

Points have been allocated to your account based on the ownership type you had previously. If you owned more than one week with Premiere Vacation Collection, then all of the points for each ownership type have been consolidated into one account.

Ownership Type	PVC Points Annual Allocation
Copper Annual	3,500
Silver Annual	6,000
Gold Annual	8,500
Platinum Annual.	13,000
Copper EOY	1,750
Silver EOY	3,000
Gold EOY	4,250
Platinum EOY	6,500

*EOY - Every Other Year usage

NOTE: In a few instances, the points required for a one-week stay when checking in on a standard check-in day is higher than the value of the points allocation received annually (refer to section 3.1). In this case, we will ensure that you remain able to use the accommodation type you originally purchased, and you will be able to book into that accommodation with your points allocation subject to availability.

1.3 Membership Renewal

Membership in the Premiere Club Connection is automatically renewed on January 1 of each year, dependent on the timely payment of dues. This payment ensures that the membership remains current and allows a Member to make reservations, save points and utilize the Member Benefits offering from the Premiere Club Connection.

2. Managing Your The Club Points

All accommodation choices at resorts in our portfolio have been assigned a points value for each week in the calendar. This value is determined by the location and facilities at the resort, the season and week number, check-in day, accommodation size and accommodation facilities. If you would like to take a special trip and need more than your yearly allotment of points, our flexible points based system offers you the opportunity to save/borrow points from your current/following year's allocation.

2.1 Saving The Club Points

If you do not intend to use all or part of your allocated points within the current year, there is an option to save points into the following year's allocation, as long as all of your dues are fully paid. There are deadlines by which points must be saved each year, otherwise they expire at the end of the year in which they were allocated. The deadlines are:

- Save up to 100% of the annual allocation of points by June 30
- Save up to 50% of annual allocation of points (if 50% has not already been saved) between July 1 and August 31
- Save up to 25% of the annual allocation of points (if 25% of the allocation has not already been saved) between September 1 and October 31

How do you save points?

To save your points, please log on at theclub.hiltongrandvacations.com and go to My Account > Save Points, or call Member Services at 877-374-2582 to save points. Once points have been saved, they may still be accessed during the current year. Please note that reservations made with points from the current year's allocation for arrival in the year after the points were allocated will require the arrival year's Maintenance Fees to have been paid in full prior to the member arriving, otherwise the reservation will be cancelled.

2.2 Borrowing The Club Points

You may borrow points at any time during the year. The Club Points will be credited to your current year's account, and your account for next year will be reduced by the points you borrowed. Payments of 75% of next year's management fees are required. Contact Member Services to find out how you can borrow points from your next year's allocation.

Once points have been borrowed, they will expire in the year in which they were borrowed unless they are used. The Club Points cannot be returned to the year from which they were borrowed.

How do you borrow points?

When members make a reservation through their member account online at hiltongrandvacations.com, the system will allow them to borrow points if they do not have enough points remaining in the current year, however, a deposit is required at the time of booking (pre-payment of 75% of next year's management fees). An agent in Member Services is available to assist if reservations are made by phone at 877-374-2582.

2.3 Purchasing The Club Points

Enrollment in The Club is required to permanently add more points and increase your yearly allocation.

2.4 Selling The Club Points

You cannot sell your membership in The Club separate from selling your timeshare. If you sell your timeshare, membership in The Club will not transfer with your timeshare and will be canceled.

NOTE: Resale points or points that are sold privately or through a reseller cannot be exchanged for use in Premiere Club Connection.

2.5 Gifting and Inheriting The Club Points

A Member is free to gift points to his or her spouse, siblings, parents or children. Points may also be gifted to a beneficiary in the event of death (either under the terms of a will or in accordance with the applicable inheritance rules).

3. Reservation Procedure

3.1 How to Make a Reservation

How to determine how many points are required

The points values for all of the resorts are listed within this directory. To establish how many points are required, please take the following steps:

- Determine the preferred dates of travel
- Check the proposed travel dates against the weeks calendar for the year of travel to determine the week number
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number; the weeks calendars can be found on pages 92-93

This directory will indicate the number of points required for a one-week stay when checking in on a standard check-in day. Specific check-in days are indicated below each resort listed in this directory.

Search for availability and booking

Members can search for availability and book online at hiltongrandvacations.com.

3.2 Adventures Membership

Adventures Membership remains limited to their current resorts until 10 months out, after which you will be able to book, subject to availability, into all of the resorts shown in the Premiere Club Connection Directory.

In a few instances, the weekly points allocation for a Home Collection Resort accommodation type is higher than the value of your allocation shown above. In this case, we will ensure that you are still able to use the accommodation type you originally purchased, and you will be able to book into that accommodation with your points allocation subject to availability. You can do this either online or through the call center.

3.3 Home Collection Resorts

The following resorts may be booked 13 months in advance:

- Bell Rock Inn
- Kohl's Ranch Lodge
- Los Abridados Resort & Spa
- Rancho Mañana Resort
- Scottsdale Camelback Resort
- The Roundhouse Resort
- PVC at The Roundhouse Resort

3.4 Exceptional Value on Reservations Less Than 59 Days from Arrival

For some resorts, if there is availability 59 days or less prior to arrival, then the standard check-in day weekly points values are discounted by 50%. For short stay points values, a 50% discount will apply to all reservations made within 30 days of arrival. These reservations offer exceptional value for those with flexible travel plans and are offered on a first-come, first-served basis.

3.5 Short Stay Points Values

Reservations with a duration of less than seven nights are available at certain resorts. This also applies to additional nights booked following a standard weekly reservation. The points calculation for a stay of less than seven nights is as follows:

- Sunday to Thursday inclusive; each night is 10% of the weekly points value
- Friday and Saturday nights; each night is 30% of the weekly points value
- Points values for short stay bookings made within 30 days of arrival are discounted by 50%

Reservations made for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

61-90 days prior to arrival date	25%
31-60 days prior to arrival date	50%
0-30 days prior to arrival date	100%

If you cancel a reservation, you may not re-book a similar reservation as a late availability reservation or any other discounted points booking.

What are the procedures for checking in at the resort?

3.10 In-resort Rules

Each occupant of an accommodation must comply with the rules of that resort and Premiere Club Connection at all times. No member or guest is permitted to keep on property any animal or pet of any kind, including emotional support animals, other than where our resort rules allow, such as in the case of service animals.

3.11 Check-in After the Planned Arrival Date

If members are not intending to check-in at the resort on the originally booked date of arrival, or their plans change and they are unable to arrive as previously scheduled, then they must contact the resort front desk reception 24 hours prior to the original arrival date and advise when they will be arriving. Failure to notify resort reception may result in the cancellation of the booking and the possibility that there may be no availability when the Member arrives. If a Member does not check in to the resort, the Member will forfeit all of the points used to make that booking.

3.12 Failure to Arrive

If Members do not cancel a reservation and do not use their reservation, they forfeit the points used for that booking and may be charged a non-arrival fee.
