*Golf Carts* are ideal for exploring the 25 miles (40 kilometers) long island. Whether venturing to the southern tip or the far northern end of Ambergris Caye, golf carts make the trip fun and easy. The golf carts can be driven beyond the paved roads to the hard-packed dirt and sand roads. They make shopping easy and are convenient when stepping out for an evening of dinner and dancing where each restaurant and bar across the island has a different ambiance and cuisine.
