

SANDESTIN

Terrain:	All areas of the Club are accessible, flat or small incline ramps with rails. Nature area Jollee Island is unpaved however there are wide paths around the area.
Communal areas:	The building is wheelchair accessible. There are elevators to all levels, with direct access from the underground parking. There is also direct access from street level to the main entry door. Gas grill area is modified to be accessible with one of the grills lowered. Lifts at the pools and hot tubs. The beach has a wheelchair that can go on the sand.
Parking:	Elevator access from underground parking to all levels. 1 disabled space in under covered parking with elevator access. 5 disabled spaces in front of building with ramp access to the building.
Accessible/Adapted Accommodation:	One and two bedroom units with facilities for the physically challenged. Doors are wide enough for wheelchair access. Light switches are lower on the walls. Visual fire alarm. Handrails by the tub, toilet and shower stall. A 2" high lip into the shower stall but has been designed for a wheelchair to be rolled in.
Other Accommodation:	There is an elevator in the Lodge building on demand. Wheelchair and service access only.
Equipment Available (on request):	Shower seats, higher toilet seats, shower wands.
Equipment Measurements:	
Accessible Outings & Excursions:	Beach wheelchairs available at Sandestin beach, upon request.
Proximity/Accessibility to local supermarkets/shops, etc.	Approximately 1 mile from 2 grocery stores, Publix and Winn Dixie. Restaurants are on the resort, all accessible by car, wheelchair and resort shuttle.
Public Transport:	Bus with a lift that is part of the resort shuttle system. No public transportation off site.
Haemodialysis clinics close to resort:	DaVita North Okaloosa Dialysis 320 Redstone Ave W Crestview, FL 32536-6433 Phone: 1-800-424-6589
