CLUB MEMBERSHIP ADVANTAGES

- Membership Cards

USING YOUR MEMBERSHIP

FIRST YEAR OF MEMBERSHIP

Upon joining THE Club® at Diamond Resorts International® you will receive your membership card and each year of your membership thereafter..

You and your vacation consultant will have determined when you will receive your first allotment of points. Once allocated you can:

- **BOOK** a vacation at any of our resorts
- **SAVE** your points for use during the following year
- **REDEEM** points for member benefits (if within redemption deadlines)
- **EXCHANGE** through Interval International®

HOW TO MAKE A RESERVATION

YOU WILL WANT TO DETERMINE HOW MANY POINTS YOU NEED

The points values for all of the resorts are listed within the Annual Global Reservations Directory. This directory is available at DiamondResorts.com in the Member Area under “Member Information”. Points values for newly launched resorts are available online.

To determine how many points are required using the Annual Global Reservations Directory:

1. **DECIDE** your preferred dates of travel.
2. **CHECK** your proposed travel dates against the “weeks calendar” located at the back of the directory to determine the week’s assigned number.
3. **SELECT** the resort you would like to visit, and use the grid to view the corresponding week number and types of accommodations available.

The Annual Global Reservations Directory will indicate the number of points required for a week’s stay for each accommodation type when checking in on a standard check-in day.

SHORT STAY POINTS VALUES

Reservations with a duration of less than seven nights are available at certain resorts. This also applies to additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy).

The points calculation for a stay of less than seven nights is as follows:

- **SUNDAY to THURSDAY** inclusive; each night is 10% of the weekly points value
- **FRIDAY** and **SATURDAY** nights; each night is 30% of the weekly points value
- Points values for **SHORT STAY** bookings made within 30 days of arrival are discounted by 50%

Reservations made for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

SEARCHING FOR AVAILABILITY AND BOOKING YOUR RESERVATION

To book your reservation online, log in to the Member Area using your personal username and password. Under “My Reservations”, click on “Book with Advanced Search”. You can search by location, experience, specific arrival date, date range or points range. Once your preferences are entered, click “Search” to display your options. You can choose to have your results displayed as a list or on a calendar. Make your selection, click “Book It”, and follow the steps to confirmation!

EXCEPTIONAL VALUE ON RESERVATIONS LESS THAN 59 DAYS FROM ARRIVAL

For certain resorts, if there is availability 59 days or less prior to arrival, then the standard check-in day weekly points values may be discounted by up to 50%. For short stay points values at select resorts, a 50% discount will apply to all reservations made within 30 days of arrival. These reservations offer exceptional value for those with flexible travel plans and are offered on a first-come, first-served basis.

MANAGING YOUR POINTS

If you are not able to travel or if you would like to take a special trip and need more than your annual allotment of points, THE Club® at Diamond Resorts International® offers you the opportunity to save your points until the following year, borrow points from your following year's allocation or purchase additional one time use points to complete your reservation.

SAVING POINTS

If you do not intend to use all or part of your current year's allocated points within the current year, then there is an option to save points into the following year's allocation, as long as maintenance fees and the dues for THE Club® at Diamond Resorts International® are fully paid. There are deadlines by which points must be saved each year, otherwise they expire at the end of the year in which they were allocated.

The deadlines are:

- **SAVE** up to 100% of the annual allocation of points by June 30
- **SAVE** up to 50% of the annual allocation of points (if 50% has not already been saved) between July 1 and August 31
- **SAVE** up to 25% of the annual allocation of points (if 25% of the allocation has not already been saved) between September 1 and October 31

HOW TO SAVE POINTS

You can go to DiamondResorts.com and log in to your member account or call THE Club® at Diamond Resorts International® to save points. Once points have been saved they may still be accessed during the current year or "borrowed back". Please note that reservations made with points from the current year's allocation for arrivals in the upcoming year will require a proportion of the arrival year's maintenance fees to have been paid prior to the member's arrival, otherwise the reservation will be cancelled.

DIAMOND FLEXIBILITY AND DIAMOND VALUE

Are you in need of more points to complete your reservation but you don't want to borrow points from your following year's allocation? You can now take advantage of Diamond Flexibility and Diamond Value. This option gives you the flexibility to purchase one-time use points to be applied towards your reservation. See page 23 for the current rates and important information.

BORROWING POINTS

You may borrow points at any time during the year. Points will be credited to your current year's account, and your account for next year will be reduced by the points you borrowed. Prepayment of a proportion of next year's maintenance fees are required. Contact THE Club® at Diamond Resorts International® to find out how you can borrow points from your next year's allocation.

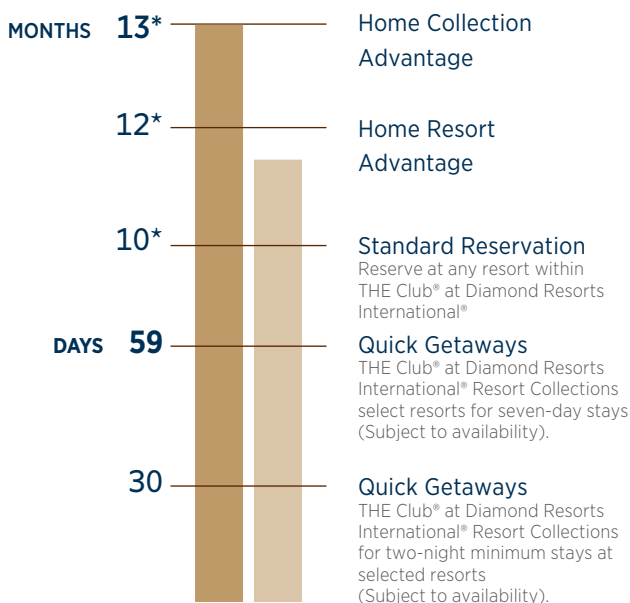

CLUB RESERVATION CHOICES

BOOKING YOUR VACATION

Search resort availability and book your reservations quickly and easily online at DiamondResorts.com or call member services at 1.877.DRI.Club or 1.877.DRI.PLAT for assistance.

WHAT RESERVATION CAN I MAKE?

*Reservation windows for THE Club® at Diamond Resorts International® are based on the check-in date. The calendar month booking window correlates with the day of a month. For example, on September 1 of the current year, members will be able to request reservations for October 1 of the upcoming year if booking within their Home Collection Advantage. At the end of the month it will work such that as at September 30 of the current year, members will be able to request October 30 and 31 of the upcoming year, i.e. to the end of the calendar month.

WEEKLY POINTS VALUES

Weekly points values as shown in the Annual Global Reservations Directory are valid when checking in on the designated check-in day. If you stay for durations other than seven nights or check in on a day other than the designated check-in day, the nightly values apply.

NIGHTLY, MIDWEEK AND WEEKEND POINTS VALUES

To calculate the nightly midweek points value, take 10% of the points required for a weekly stay. For example, if a weekly stay is equal to 3,000 points, then the nightly midweek rate would be 300 points per night, Sunday through Thursday. Nightly weekend valuations for Friday and Saturday nights are three times the corresponding nightly midweek value. In the above example, a nightly weekend stay would be 900 points per night.

Any exceptions to this rule are indicated on the chart for the specific resort in the Annual Global Reservations Directory. Current minimum stay for reservations with THE Club® at Diamond Resorts International® is two nights, unless otherwise noted.

GUEST CERTIFICATES

Would you like to make a gift or offer some or all of your points allocation to someone outside of your immediate family? Simply make a confirmed reservation with THE Club® at Diamond Resorts International® and request a guest reservation. Provide the name of the guest that will be checking in and the reservation will be updated. A fee may be charged for this service. Please see page 19.

CANCELLATION RULES

- **0% LOSS** of points if canceled 395-91 days prior to arrival date
- **25% LOSS** of points if canceled 90-61 days prior to arrival date
- **50% LOSS** of points if canceled 60-14 days prior to arrival date
- **100% LOSS** of points if canceled 13-0 days prior to arrival date

If you need to cancel a confirmed reservation, contact THE Club® at Diamond Resorts International® as soon as possible, or cancel online by logging in to the Member Area at DiamondResorts.com.

MEMBER TESTIMONIALS:

"We have taken 3 escorted tours with Big Journey Company and have another booked for later this year. Organisation has always been faultless. It's like having a well-traveled friend who puts together the sort of trip they know you would love. Big Journey Company tours allow us to use our Diamond Investment to take those once in a lifetime trips."

— David and Anne

"My travels with Big Journey Company have been wide and varied. First to Canada and Alaska, which was most enjoyable. Since then I have visited the Lake District in England, Australia/New Zealand, Borneo, China, cruised the Mediterranean and been on safari in Kenya. On all these escorted tours, I met and made new friends and reacquainted with old ones. The travel arrangements are brilliant; you've no need to worry about bookings and accommodation. The team members at Big Journey Company are very knowledgeable about all areas and always courteous; nothing is too great or small for them. I WILL use Big Journey Company again in the future."

— John

ADVENTURES FOR ALL MEMBERS

- **Climb Mount Kilimanjaro (Lemosho Route)** October 8, 2015

Alongside a knowledgeable guide and with fellow members of THE Club®, reach the top of Africa's highest mountain for a once-in-a-lifetime experience to remember for years to come. You will spend your time climbing Kilimanjaro from low down in the pristine rainforest on the western side, emerging and crossing the World Heritage site of the Shira plateau. Skirting the southern face of Kibo, the views of the summit ice fields and back to Mawenzi are stunning, and a climb to the Lava Tower (4,600m) on the 4th day makes for excellent and valuable acclimatization. The infamous Barranco wall provides excitement on the 5th day, with the ascent to Stella point on the 7th day providing an easier approach to Uhuru Peak than via Gillmans. Descent is via the Mweka route. This adventure is a must and makes a great trek in its own right and may appeal to those not too worried about achieving the dizzy heights of 5,895m and happy to stay at camp for a lie-in on summit day!

As long as you are reasonably fit and enjoy the outdoors, then this gradual ascent of the mountain by the longer known route will suit all ages (18 years and older) and you should not have a problem reaching your goal – the 'Roof of Africa'.

Additional adventures are being planned and will be announced soon! All itineraries include the accommodations and guides.

COMMUNITY INITIATIVES

GO GREEN

At Diamond Resorts International®, we believe that each of us contributes an important role in the conservation and preservation of our world's precious natural resources. "Going Green" requires disciplined routines that develop into healthy habits.

Save Electricity Switch off unnecessary lights, air conditioning and other electrical appliances.

Save Water By showering you use half as much water as a bath. Do not use the toilet as a wastepaper bin and do not leave the water running while shaving, brushing your teeth or washing up.

Protect Nature Do not leave litter. Paper, metal and plastic are harmful to nature and do not biodegrade.

Recycle Please help us keep our resorts environmentally friendly by depositing separated rubbish in the designated areas. We appreciate your help keeping our resorts clean and protecting the environment by reducing, reusing and recycling.

Together, we can truly make a difference.

DRIVEN® TO FUN

Diamond Resorts International® increasingly popular Olympic-inspired event, DRIVEN® to Fun, takes place during the summer at all U.S. and Europe managed properties. Team members plan and deliver an action-packed summer of family entertainment with featured daily activities for all ages. Each week the resorts host an Opening Ceremony to announce the upcoming games and scheduled activities, from scavenger hunts, bingo games and water volleyball, to coloring contests, cannonball splash contests, resort trivia and more. The winners of each activity are honored at the Closing Ceremony and awarded gold, silver and bronze medals. The celebration features plenty of food, drinks, music and entertainment for everyone to enjoy.

SUSTAINABILITY GARDENS

In order to become more environmentally conscious, many of our resorts are growing their own sustainable gardens featuring a variety of healthy, fresh fruits and vegetables.

The use of these gardens enhances the natural environment while benefiting the ecosystem and local economy. Minimal chemical pesticides and fertilizers are used during production and the installation of underground watering systems decreases water waste and eliminates runoff. Each garden boasts unique features and hosts an array of fresh produce native to the area while specific to the cultural cuisine and restaurant offerings. In addition to cooking benefits for the restaurants, the gardens have also proven useful as an educational tool for guests and children as they are allowed to tour the gardens, pick fresh ingredients and participate in cooking demos.
