Exchanging With Destination Xchange

Destination Xchange gives you the opportunity to book a 7-night exchange instantly through the Instant Xchange or with a Tier Credit from a 5-Year Deposit.

5-Year Deposits

You can deposit your Points into Destination Xchange for Tier Credits as indicated in the Points and Tier Chart on page 11. Reservations with Tier Credits can be made up to 24 months in advance for accommodations within that Tier (or any lower Tier). You can choose to book into a higher Tier than your deposited Tier Credit by paying a Tier Upgrade Fee per Tier level increase. The Tier Upgrade Fees are detailed on page 15. Reservations with Tier Credits may be made up to five years from the date the Points were deposited. Travel may extend beyond the expiration date.

Instant Xchange

The Instant Xchange allows you to utilize your points to book reservations instantaneously for up to 24 months in advance. Use all or a portion of your points in an instant. Refer to the Points and Tier Chart on page 11 for the points equivalent of a 7-night stay for each given Tier.

For both the 5-Year Deposit and Instant Xchange, payment of the Standard Exchange Fee is required for reservations and bookings made. Points will be deducted from your current year's points allocation up through October 31; thereafter, points will be deducted from your following year's points allocation. You can request a Destination Xchange reservation up to 24 months before your chosen dates of travel. Multiple Tier Credits are allowed but cannot be combined for higher Tier stays. Points cannot be returned, withdrawn or removed once they are converted into a Tier Credit.

Points and Tier Chart

How It Works

Each 7-night resort stay has a points value and an equivalent Tier assigned to it. Tiers are designated 1 through 6, with 6 being the high-demand locations and times of the year in the larger-size accommodations.

As a Member, you can use the Instant Xchange, which allows you to instantaneously book using your points, or you can convert your points into a Tier Credit to reserve accommodations at a later date. Tier Credits made with a 5-Year Deposit are valid to book accommodations up to 5 years from the date you create the Tier Credit.

Each week is assigned a points value and a Tier which are determined by a number of factors including resort destination and location, availability, seasonal demand

and size of accommodations. So what does this mean? You can expect larger accommodations to be valued at a higher Tier/more points than smaller accommodations. Higher-demand times of the year, such as holidays and peak vacation times (i.e., summer and school holidays), will also be valued at a higher Tier/more points than off-peak and low-demand times. Destinations with limited accommodations (i.e., ski resorts) will be valued at a higher Tier/more points versus locations with an abundance of accommodations. Please refer to the Points and Tier Chart below for details of the Points or Tiers required to book a Destination Xchange 7-night stay.

Points and Tier Chart

| SEASON | LOW | MID | HIGH | PEAK | ULTRA PEAK |
|-----------|----------------------|----------------------|----------------------|----------------------|----------------------|
| Studio | TIER 1: 400 points | TIER 1: 400 points | TIER 2: 800 points | TIER 3: 1,200 points | TIER 4: 1,600 points |
| 1-Bedroom | TIER 1: 400 points | TIER 2: 800 points | TIER 3: 1,200 points | TIER 4: 1,600 points | TIER 5: 2,000 points |
| 2-Bedroom | TIER 2: 800 points | TIER 3: 1,200 points | TIER 4: 1,600 points | TIER 5: 2,000 points | TIER 6: 2,400 points |
| 3-Bedroom | TIER 3: 1,200 points | TIER 4: 1,600 points | TIER 4: 1,600 points | TIER 5: 2,000 points | TIER 6: 2,400 points |
| 4-Bedroom | TIER 3: 1,200 points | TIER 4: 1,600 points | TIER 5: 2,000 points | TIER 6: 2,400 points | TIER 6: 2,400 points |

The most popular exchange reservations are made into High Season accommodations of all sizes

Upgrading a Tier Credit

If you decide to book into a higher Tier from your original Tier Credit, a Tier Upgrade Fee will be charged in addition to the Standard Exchange Fee. Tier Upgrade Fees can be paid with Points or cash and are determined by your loyalty level. A Tier Upgrade Fee is charged per Tier upgraded (e.g., if redeeming a Tier 2 Credit and reserving a Tier 4 accommodation then 2 Tier Upgrade Fees will be payable). Refer to the Fee Schedule on page 15 for the Tier Upgrade Fees.

If you choose to book a lower Tier stay using a higher Tier Credit, no refund or credit will be offered for the difference in points.

Simply book your guest's reservation and provide their name at the time of booking or by contacting Member Services to update the reservation with the guest's name. Refer to the Fee Schedule on page 15 for Guest Certificate Fees.

Guests must present the Guest Certificate or confirmation in his or her name at the time of arrival or the resort may refuse check-in. Additional guests may stay, but the total number of guests must not exceed the maximum occupancy of the given accommodation. Guest Certificate Fees are charged per exchange reservation.

Check-in Procedures and Reservation Rules

Confirmation Letters

Once your reservation has been confirmed, an email will be sent to the email address registered to your account. Please

review the content of the confirmation in its entirety. Be sure to bring your confirmation letter with you for check-in. If a late check-in is required, contact the resort as soon as possible or your room may be released due to a no-show.

Check-in After the Planned Arrival Date

If you are not intending to check-in at the resort on the originally booked date of arrival, or your plans change and you are unable to arrive as previously scheduled, you must contact the resort at least 24 hours before your original arrival date and advise when you will be arriving. Failure to notify the resort may result in the cancellation of the reservation and the possibility that there may be no availability when you arrive.

Resort-Specific Rules

Each occupant of an accommodation must comply with the rules of that resort and Destination Xchange at all times. No Member or guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where resort rules allow, such as in the case of ADA service animals.

No Arrival

If you fail to check-in, you will be considered a no-show and your reservation will be canceled within 24 hours of your arrival date. Additionally, any points or Tier Credits and Exchange Fees previously paid will automatically be forfeited.

Resort Fees, All-Inclusive Fees and Additional Charges

Be aware that you may incur additional fees or charges from the resort. Generally, they are detailed on the website and are reflected on your confirmation letter, but we suggest contacting the resort directly to confirm.

Reservation Cancellation

You can cancel an exchange reservation within 24 hours of booking without penalty. Unless the Destination Xchange Protection Plan is purchased, any cancellation after 24 hours of booking will result in a forfeiture of points and all Exchange Fees paid. The purchase of a Destination Xchange Protection Plan at the time of booking is advisable in order to safeguard your points and avoid losing them.

After the initial 24 hours, the Standard Exchange Fee and any applicable fees paid will not be refunded, regardless of the notice of cancellation.

Cancelling a Short Xchange, Express Xcapes or Destination Xtras Reservation

If you cancel your exchange reservation, you will lose any points used and any applicable Exchange Fees paid. If you cancel your Destination Xtras reservation, you will not receive a refund of the cash price paid.

Destination Xchange Protection Plan

Protect Your Exchange Reservations

When the unexpected happens, you can help protect

your exchange reservations with the Destination Xchange Protection Plan.

The purchase of a Destination Xchange Protection Plan will reinstate an equivalent Tier Credit into your Destination Xchange account for cancellations up to 31 days prior to the arrival date for exchange reservations. The Tier Credit will expire five years from the original deposit booking date.

If a Tier Upgrade Fee (paid with either points or cash) was used for the reservation, an upgraded Tier Credit will be credited to your Destination Xchange account.

If the Destination Xchange Protection Plan is not purchased at the time of booking, it may be purchased up until 31 days prior to arrival for an additional fee. Please refer to the Fee Schedule on page 15.

The Destination Xchange Protection Plan fee is per reservation. Short Xchanges, Express Xcapes and Destination Xtras are not eligible for the Destination Xchange Protection Plan. Your Member Area will always be current so you can enjoy your membership with the most updated benefits and resort offerings. You will also receive periodic newsletters highlighting any changes or additional benefits added to your membership.

How do I make an exchange reservation?

You can book an exchange reservation instantly using your Points, or you may use an existing deposit (Tier Credit). With either option, simply provide your travel dates, desired location and accommodation type in order to search availability online at club.hiltongrandvacations.com or over the phone with a Member Services Specialist.

How does the Points and Tier Chart work?

The Points and Tier Chart helps to prepare you for the number of points you can expect to pay for your exchange reservation or what Tier to deposit your points into.

What is the Instant Xchange reservation process for Destination Xchange?

Instant Xchange allows you to utilize your points to instantaneously confirm a reservation up to 24 months in advance of the current date. Points will be deducted from your current year's points allocation. Benefits of Instant Xchange include the option to use all or a portion of your points.

How does using a 5-Year Deposit work when booking an exchange reservation?

You first need to deposit your points into Destination Xchange as shown on page 11. Once deposited, your points are then converted into a Tier Credit, which can be used to book an exchange reservation in that Tier or a lower Tier within five years from the date of deposit. You can book into a higher Tier with payment of a Tier Upgrade Fee.

How do I know which Tier to deposit my points into?

The number of points you have available to use will help determine which Tier to deposit your points into. Reviewing the Points and Tier Chart will also help you determine which Tier to deposit your points into. The most popular exchange reservations are made into High Season accommodations of all sizes. Remember, you can always upgrade your Tier with a Tier Upgrade Fee, but if you choose to book a stay at a Tier below your original Tier Credit you will not be eligible for a refund.

What if I want to book a stay outside my original Tier Credit?

You can choose to stay in a week within or below your Tier Credit at no extra charge. If you choose to book a stay at a Tier below your original Tier Credit you will not be eligible for a refund. If you decide to book a stay during a week with a higher Tier, you will need to pay a Tier Upgrade Fee for each Tier level increase.

Example: If you have a Tier 2 Credit and wish to stay in a Tier 4 Credit accommodation, you will need to upgrade by 2 Tiers. This means you will need to pay the Standard Exchange Fee and the required Tier Upgrade Fee of \$720 (\$360 per Tier increase x 2) or 1,200 points (600 points per Tier increase x 2).

When do 5-Year Deposits expire?

Reservations with Tier Credits may be made up to five years from the date the Points were deposited. Travel may extend beyond the expiration date.

What is my booking window?

The booking window is up to 24 months out from the current date for all exchange reservations. Select Hilton Grand Vacations managed and affiliated properties may be made available to Destination Xchange.

What is the final day to use or deposit my current year's points allocation into Destination Xchange within the current calendar year?

The final day you may use or deposit your current year's points allocation into Destination Xchange within the current year is October 31. Thereafter, points will be deducted from your following year's points allocation. You will have the opportunity to deposit your current year's points allocation during the month of November by paying the Late Deposit Fee.

When will I pay the Exchange Fee?

When you confirm your selected resort, you will pay the Exchange Fee (comprising of the Standard Exchange Fee

or Short Xchange Fee and any applicable fees), either on the phone with an agent or online. Don't forget — all exchanges made online receive a \$10 saving off the Standard Exchange Fee. The \$10 savings does not apply to the Short Xchange Fee. Exchange Fees are charged on a per exchange reservation basis.

When will I receive my reservation confirmation?

Once your reservation is booked, you will immediately receive a reservation confirmation email.

Can I book a reservation for a guest?

Friends and family are welcome to stay at one of the resorts through the purchase of a Guest Certificate. Additional guests may stay, but the total number of Guests must not exceed the maximum occupancy of the given accommodation.

You have the opportunity to purchase a Destination Xchange Protection Plan to better safeguard your points or Tier Credit.

What is the cancellation policy for a 7-night exchange reservation?

You can cancel an exchange reservation within 24 hours of booking without penalty.
