Membership Guide

We are pleased to have you as a Member and look forward to assisting you in planning unforgettable vacation experiences. One of the top advantages of your membership is the flexibility you have to use or trade your home resort week for other destinations as part of the Amber Vacation Club (AVC).

Available exclusively to Members, Amber Vacation Club allows you to convert your home resort week into points. You can then use those points to exchange for a vacation stay at any participating AVC resort.

1. Your Membership

1.1 Using Your Deeded Week and Points Assignment

To use your deeded week, you should contact an AVC counselor between 365 and 180 days prior to your vacation start date. This may be extended up to 730 days (2 years) for the purpose of advanced Destination Xchange and RCI exchanges.

Please be aware that notifying AVC of how you intend to use your week is very important. If notification has not been received at least 180 days in advance, your deeded week will automatically be deposited in your Amber Vacation Points (AVP) account for purposes of Amber Vacation Club trading. Once your deeded week has been deposited, you must make reservations through AVC for vacation usage.

1.2 Reservation Booking Windows

To utilize your vacation time with the additional flexibility made possible through your AVC membership, contact your AVC counselor to deposit your Amber Vacation Points assignment. AVP assignments may be deposited anytime from 365 to 180 days prior to your vacation start date. Deposited AVP assignments are valid for use from the time of deposit until 365 days after your deeded week start date.

Once you have deposited your week, you may make a request for vacation time within 180 days of the time requested. You may request any type of unit, during any interval week, at any resort in the system as long as you have the appropriate number of points according to the AVC points charts. The only exception to this guideline is time designated as holiday and special-event weeks, which may only be used by families owning holiday weeks. However, this rule is waived within 30 days of holiday and special-event time.

1.3 Cancellation

Once reservations have been made, cancellations will be subject to a \$20 USD AVC cancellation fee, and your points will be credited back to your Member account according to the following schedule:

- 180–91 days – no penalty*
- 90–61 days – 10% penalty*
- 60–31 days – 20% penalty*
- 30 days or less – no cancellations

*\$20 USD cancellation fee to re-establish points.

1.4 Guest Pass

You may choose to allow guests of yours to use either vacation time that has been fixed or time reserved through points. A \$20 USD guest pass fee will apply.

1.5 Housekeeping Fees

As a Member, your annual maintenance fee entitles you to your first visit without a housekeeping fee. Your annual Amber Vacation Club Club Dues will cover the housekeeping fee for additional stays throughout the year.

1.6 Maintenance Fees

Maintenance fees are billed on an annual basis and are due January 1 of each year. All maintenance fees, taxes and Club Dues must be current and paid prior to making any reservation. Maintenance fees must be paid in advance when requesting points usage in advance of the current year. When depositing your deeded week or a confirmed week through AVC with an exchange company, the maintenance fee for the year you are requesting to be deposited must be paid.

1.7 Club Dues

AVC Members are responsible for paying an annual Club Dues. The current annual amount is \$185 USD per Club Member, regardless of the number of timeshare interests owned.

1.8 Exchange with RCI

As an Amber Vacation Club Member, you now have access to exchange your week with RCI. RCI has a network of more than 4,000 vacation resorts in 100 countries with over 4 million Members. If you would like to exchange your week with RCI, please contact 888-578-6747 to deposit your week.

1.9 Exchanging with Destination Xchange (DEX)

Destination Xchange is an exclusive, points-based exchange program. As a Member of Amber Vacation Club and Destination Xchange, you can now use your points to vacation at thousands of resorts worldwide. In addition to 400+ managed and affiliated resorts within The Club network, Destination Xchange offers you even more vacation options. The result? More flexibility, experiences and cherished memories with friends and family. From the slopes of the Sierras to sun-soaked beaches, and from action-packed Las Vegas to the castles of the English countryside, your vacation possibilities are endless. 3. Accessibility Requests

3.1 Accessibility Request

We are committed to providing wonderful vacations for our Members and take into consideration the needs of those who have a disability or an access requirement.

We have an ongoing program of commitment, which consists of:

- Ensuring we aim to comply with disability discrimination legislation and exceed the requirements (where possible) regarding the refurbishment of our resorts
- Making appropriate enhancements to resorts and resort plans
- Improving internal awareness and training
- Providing accurate information on our website and in our literature, including information on access, available facilities and auxiliary aids
- Communicating with our Members via regular disability forums and surveys to identify areas for improvement
- Producing compliant literature and communicating within the same guidelines

To ensure that we continue our quest to provide seamless experiences, we encourage Members to let us know of any requirements they might have relating to accessibility prior to

arrival at a resort destination. We appreciate any information you can share in advance to assist our resort teams in providing you with any requirements you may have during your stay. Your comfort and enjoyment remain our priority.

Members can select to have their membership account flagged with details of which they would like us to be aware. This can be recorded on your account through your accessibility profile or by telling your reservationist when booking by phone. To update your accessibility profile online, please visit hiltongrandvacations.com, log in to the Member Area, and click on "Preferences" on the left menu, then the "Accessibility" tab. Select the preferences that can improve our awareness of your needs and make your vacation experience more comfortable.

If you have any access requirements, needs you wish to discuss or want assistance in locating a resort that can provide comfortable accommodations for your needs, please contact us at your earliest convenience. Adapted units are available on a first-come, first-served basis and are subject to availability.

- For North American resorts, please call **888-250-6150**
- For European resorts, please call **011-44-345-359-0009**
