Guide to Destination Xchange

WELCOME! As a member of Destination Xchange, you have the ability to exchange your vacation ownership week IN REAL TIME, to a variety of destinations across different countries, accommodation types, weeks, and seasons, as well as the option to return to your home resort. Exchanges are based on the Destination Xchange Tier system that enables you to upgrade to different levels to accommodate your vacation needs.

What happens to my week?

By enrolling to become a member of Destination Xchange, you will have the opportunity to deposit your vacation ownership week.

Once you have deposited your week you can make an exchange reservation and book an available week at any of the resorts within the Destination Xchange portfolio in the same tier as your deposited week subject to payment of the Standard Exchange Fee.

Upgrade Fees apply for tier upgrade exchanges into higher tiers.

Enjoy even more vacation options with Destination Xtras!

In addition to exchange options, Destination Xchange members can also enjoy special discounts on rental reservations at many of the Destination Xchange resorts that are managed by Diamond Resorts, which are identified in the Destination Xchange Locations section of this guide with the  icon.

With Destination Xtras, members can add additional nights to their exchange reservations, or enjoy the special member discount for additional vacations. Destination Xtras reservations can be booked up to 12 months prior to the member's desired travel date, and no pre-payment is required.

Members can request information on the discounts, resort availability, and book Destination Xtras reservations online by logging in as a member on DestinationXchange.com or DiamondResorts.com, or by calling 0345 401 8004.

TERMS & CONDITIONS FOR DESTINATION XTRAS: Reservations are subject to availability. Destination Xchange membership must be active through the check-out date of preferred travel date. A valid debit or credit card is required at time of booking to guarantee the reservation. Payment is taken upon arrival at the resort. Additional terms and conditions may apply and will be advised at the time of booking.

What is the Destination Xchange Tier System?

The Destination Xchange Tier System is a tool designed to evaluate and identify which vacation ownership weeks are similar. Each resort available to Destination Xchange members will have Tiers assigned to the various accommodations by season and accommodation size.

What is my Destination Xchange Tier Code?

The Tier Code of your vacation ownership week is based on a number of factors including resort location, unit size, season, and demand for location. Please note that the Tier Code of your vacation ownership week may vary each year during your membership in Destination Xchange. To identify the Destination Xchange tier for your vacation ownership week(s), please refer to the Table of Contents to find the resort where you own, and review the tier grid. Please note that floating week owners will first need to make a reservation for their week at their club and then refer to the Table of Contents to establish the Tier Code of the week. You may also visit DestinationXchange.com or contact Member Services for more information on the Tier Code of your vacation ownership week(s).

Can I exchange into different Destination Xchange tiers?

One of the great features of Destination Xchange is that you are not restricted to solely being able to reserve weeks in the same tier as your own. If you choose, you can reserve accommodations in a higher tier by paying an Upgrade Fee in addition to the Standard Exchange Fee. The table below shows the Upgrade Fee charged, in addition to the Standard Exchange Fee, should you wish to exchange to a different tier than the equivalent of the week you deposited. The Standard Exchange Fee is £165 if the exchange reservation is booked over the phone and £155 if booked online.

Interested in other exchange destinations?

If you don't see a destination or resort you're interested in traveling to, give us an opportunity to try to fulfill your vacation request, anywhere in the world. Through our relationships with resorts and hotels beyond those already within Destination Xchange, we'll attempt to fulfill any exchange request to your dream destination, including any specific resorts or hotels you have in mind. (Reservations are subject to availability, payment of Standard Exchange Fee, and Upgrade Fees may apply. All Destination Xchange program terms and conditions apply.)

Upgrade Fee Chart

	TO TIER 1	TO TIER 2	TO TIER 3	TO TIER 4	TO TIER 5	TO TIER 6

For example, a member who exchanges a Tier 2 vacation ownership week may book at any resort accommodations available in Tier 1 or Tier 2 by paying the Standard Exchange Fee. If the member decides to vacation at a Tier 3 accommodation, they would pay a £145 Upgrade Fee in addition to the Standard Exchange Fee. See the chart above as a reference guide for the cost to upgrade to different tiers.

Members who deposit a Tier 5 week may opt to book two lower tier exchanges in Tier 1 or Tier 2 resort accommodations subject to paying the Standard Exchange Fees on each week.

Members who deposit a Tier 6 week may opt to book two lower tier exchanges in Tier 1 or Tier 2 resort accommodations subject to paying the Standard Exchange Fees on each week.

Membership Enrolment

Owners can enrol as a member of Destination Xchange online at DestinationXchange.com or by contacting Member Services at 0345 401 8004.

Designated Member

Each membership must have a designated Primary member who is an individual to whom all communication will be sent. This will be the first named member on the membership.

Membership Duration

Your membership of Destination Xchange will last until terminated in accordance with the terms and conditions and rules of Destination Xchange.

Depositing Your Week

You can deposit your week in accordance with your specific reservation booking rules as defined in your club's constitution. Management charges must be paid in full to deposit your ownership week into Destination Xchange.

If you wish to deposit a week for a future use year for which management charges have not yet been assessed, you must pre-pay estimated management charges based on the assessment for the current use year. Any balance due will be reflected in the subsequent management charge application for payment.

Once you deposit your week into Destination Xchange, it is valid for making an exchange reservation for 5 years from the arrival date of the week deposited. You can deposit your week into Destination Xchange up to 24 months in advance of the start date of the week being deposited, subject to the specific reservations rules for your club. Deposits can be made up to the day before the start date of the week being deposited.

Late Deposits

A Late Deposit Fee of £75 will be charged based on the following criteria:

- Tier 1 and Tier 2 weeks can be deposited up to 3 months (91 days) prior to the arrival date of the week being deposited before the Late Deposit Fee applies.
- Tier 3 and Tier 4 weeks can be deposited up to 31 days prior to the arrival date of the week being deposited before the Late Deposit Fee applies.
- Tier 5 and Tier 6 weeks can be deposited up to 14 days prior to the arrival date of the week being deposited before the Late Deposit Fee applies.

As a great advantage over other exchange providers, the exchange value of your vacation ownership week will not be penalised when depositing late.

Booking Your Destination Xchange Vacation

ONLINE

1. Determine where you would like to vacation by logging in at DestinationXchange.com and visiting our Destination page, which provides all destinations available to Destination Xchange members. You may also review the destinations listed in this Guide.
2. Search available accommodations for your preferred resort and travel dates.

3. Pay the Standard Exchange Fee plus any applicable Upgrade Fees and confirm your reservation in REAL TIME! Your Destination Xchange membership must be active through the departure date of your reservation. Standard Exchange Fee is only £155 when you book online.

You may also contact Member Services at 0345 401 8004 and a team member will be glad to help you book your next vacation. Please note the Standard Exchange Fee is £165, however members receive a discount on the Standard Exchange Fee when booking online.

Reservation Cancellation

If you cancel an exchange reservation more than 14 days prior to the arrival date then you will need to pay an Exchange Cancellation Fee of £150 but will then be able to make an alternative exchange request against the deposited week, subject to availability and upon payment of the Standard Exchange Fee and any applicable Upgrade Fees. If you cancel within 14 days of the arrival date then you will need to pay the Exchange Cancellation Fee and you will not be able to make an alternative exchange request, and the deposited week is forfeited.

Regardless of the notice of cancellation given, the Standard Exchange Fee and any applicable Upgrade Fees paid will not be refunded. You are encouraged to purchase the Destination Xchange Protection Plan at the time of booking to safeguard your deposited week and avoid being charged the Exchange Cancellation Fee in the event you need to cancel your exchange reservation.

Destination Xchange Protection Plan

As you are preparing for your vacation, what if:

- you have an unexpected family or work emergency?
- your flights are cancelled?
- weather interferes with your ability to travel?

Members of Destination Xchange have the ability to safeguard their deposited week in case the unexpected happens at vacation time.

Purchasing the Destination Xchange Protection Plan will ensure you are not subject to the Exchange Cancellation Fee should you need to cancel, up to 24 hours prior to arrival date. You will also be able to make an alternative exchange request against the deposited week, subject to availability upon payment of the Standard Exchange Fee and any applicable Upgrade Fees.

Members may only purchase the Destination Xchange Protection Plan at the time of booking each exchange reservation. For pricing information, please refer to the Fee Schedule located on page 15.

Procedures for Checking In and Reservation Rules

IN-RESORT RULES

Each occupant of an accommodation must comply with the rules of that resort and Destination Xchange at all times. No member or guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where resort rules allow, such as in the case of service animals.

CHECK-IN AFTER THE PLANNED ARRIVAL DATE

If you are not intending to check in at the resort on the originally booked date of arrival, or your plans change and you are unable to arrive as previously scheduled, you must contact the resort Front Desk Reception at least 24 hours prior to the original arrival date and advise when you will be arriving. Failure to notify Front Desk Reception may result in the cancellation of the reservation and the

possibility that there may be no availability when you arrive.

NON-ARRIVAL

If you do not check in to the resort for your confirmed reservation, you will be considered a no-show. The deposited week will be forfeited and all fees previously paid will not be refunded.

OCCUPANCY OF THE ACCOMMODATION

Reservations can be booked by the members named on the Destination Xchange membership. You may arrange for the reservation to be used by a non-member guest of your choosing by purchasing a Guest Certificate.

Guest Certificates

Would you like to give a family member or friend your requested vacation week as a gift? Destination Xchange welcomes friends and family to our resorts and would love to provide them with the opportunity to create new experiences and adventures. To make this possible, as a Destination Xchange member you can purchase a Guest Certificate for a £25 fee when you confirm your reservation. You can provide the name of the guest who will be checking in at the time of booking the exchange reservation, or thereafter, by contacting Member Services or update the exchange reservation online.

Reservations Made for Commercial Gain

Reservations cannot be made for commercial gain. Destination Xchange has been created for the enjoyment of all members. Reservations made solely to sell or rent, for a profit or significant financial gain, are not permitted. If such practices are discovered, we reserve the right to cancel those reservations and may suspend/cancel the membership.

Helpful Tips

Destination Xchange offers expanded choice and flexibility beyond your traditional ownership usage options, enabling you to vacation when and where you want. Following are some helpful tips to help you get the most out of your membership.

If you did not purchase the Destination Xchange Protection Plan, you will still be able to make an exchange reservation against your deposited week, subject to availability, provided you cancel more than 14 days prior to the arrival date and pay an Exchange Cancellation Fee and then pay the Standard Exchange Fee and any applicable Upgrade Fees on the new exchange reservation. If you cancel within 14 days of the arrival date then you will need to pay an Exchange Cancellation Fee and you will not be able to make an alternative exchange request, and the deposited week is forfeited.

The Kenmore Club

Kenmore by Aberfeldy
Perthshire
PH15 2HH
Scotland

The Kenmore Club is the home away from home you've always longed for.

Situated in this most picturesque of Scottish villages — street lighting is somewhat frowned upon here as they prefer the light of the stars — Kenmore is dominated by the calming waters of Loch Tay.

The Kenmore Club's charming cottage-style accommodations are in keeping with the local environment, making you feel completely at home. Of course, creature comforts abound and just across the way you will find Scotland's oldest inn, with a chimney breast inscribed by the hand of Robbie Burns himself.

2020 WEEKS				20-37	1-19, 38-52

Check-in day for weekly occupancy: Friday. Guests with mobility restrictions may find the resort difficult to navigate due to the resort being built on varying levels and has many steps and inclines. There is no accommodation accessible without having to negotiate stairs or steps. Prior to arrival advise your credit card company that you are traveling to South Africa and to expect transactions from this location - some credit card companies may block your card after the first transaction as a protection from fraud if you do not let them know. Beware of the baboons when you are driving - these local animals can obstruct the highways and be a nuisance - please do not feed them if you stop as they can occasionally be aggressive. When checking-in, there are many decking style steps up to the chalets (approx. 30). The resort will help with luggage.
