

Ideally situated in the heart of San Diego, this Bay Park ocean view and Mission Bay view home is both magnificent and unique.

Bayview – San Diego, CA

Sleeps: 8
3 BD
3 BTH
2400 Sq. Ft.

Description

All three bedrooms are on the third floor. The enormous master suite includes a love seat and daybed seating area, along with a Queen bed and fireplace. Nearly forty feet of floor to ceiling windows provide exceptional views of Coronado Island, Point Loma and ocean from Ocean Beach to La Jolla. The view of Mission Bay is breathtaking, especially watching the nightly fireworks from Sea World.

Highlights

- The large backyard has a spacious deck with outdoor dining and a six-person spa.
- The entertainment level on the second floor has a front balcony, a 50" TV and ample custom sofa seating.
- All three bedrooms are on the third floor. The enormous master suite includes a love seat and daybed seating area, along with a Queen bed and fireplace.
