## 1. HOW THE CLUB WORKS

### 1.1 Resorts And Collections

Our resorts have been allocated into seven groupings that we call Collections. The Collections have been created to ensure the facilities included in each one will be available for use by their respective Members and by Members of The Club. This arrangement also ensures that the resorts within a Collection remain available to the Members of that Collection; whereas resorts that are part of The Club can change. While Cabo Azul Resort consists of only one resort, for illustrative purposes of this guide, it is considered a Collection.

The seven Collections are named below, and the resorts that are currently within each are listed in the governing documents for each of the Collections:

- U.S. Collection
- Hawaii Collection
- California Collection
- European Collection
- Cabo Azul Resort
- Premiere Vacation Collection
- Monarch Grand Vacation Collection

A Member's purchase documentation will clearly show into which Collection the Member purchased and the resorts within that Collection at the time of purchase.

For Owners who have assigned their fixed or floating week usage rights to The Club in exchange for points, their documentation will show from which resort they originally purchased and, in certain circumstances, the Collection from which their points are allocated.

A company cannot purchase a Collection membership, but once a Collection membership is purchased by an individual, it may be placed by a family member or living trust or transferred to a company and may be subject to a transfer fee.

### 1.2 Affiliated Resorts

In addition to the resorts within each Collection, The Club has affiliations with many other resorts, which expands the portfolio of destinations at which you can stay when using points. These resorts may not have the brand standards and amenities you expect, but they are monitored to ensure they meet our standards of quality and service. Each affiliated resort is subject to cancellation and removal from The Club and new affiliated resorts can be added at any time.

### 1.3 Global Partner Resorts

In addition to the resorts within each Collection, The Club has other resorts that expand the portfolio of destinations you may reserve using points. These resorts may not have the brand standard and amenities you expect, but they are monitored to ensure they meet our standards of quality and service. Each Global Partner resort is subject to cancellation and removal from The Club and new Global Partner resorts can be added at any time. Inventory in Global Partner resorts is limited to 7-night stays only and is subject to availability.

### 1.4 Primary Member-Only Reservation Resorts

The Club has affiliated with certain resorts which are only available for Primary Members to book. The resorts that permit Primary Member-Only Reservations may not be booked by Associate Members or Guests of Members. Each resort with Primary Member-Only reservations is subject to booking restrictions, qualifications and/or cancellation and removal from The Club.

### 1.5 Member Benefits

In addition to resorts, The Club offers a global array of member benefits, discounts, offers and promotions that allow you to exchange points for a wide variety of products and travel services. Please refer to the Member Area at [theclub.hiltongrandvacations.com](http://theclub.hiltongrandvacations.com) or Member Benefits (Section 12) of this directory. All benefits are ancillary to your accommodation usage rights and are subject to change and/or cancellation without notice.

## 1.6 Management Charges and The Club Fee

### 1.6.1 Management Charges

Management Charges relate to your obligation for the maintenance, refurbishment and operation of the resorts within the Collection of which you are a Member. These fees are based on the number of points you own.

The Management Charges relating to the Collections are made up of two parts:

- A Collection base fee that all Members pay regardless of the number of points they own
- A Collection per point fee

Any Member who owns a week(s) which is enrolled in The Club will be responsible for payment of the Management Charges on the week(s).

### 1.6.2 The Club Fee

Members of The Club must also pay annual dues to cover the services required to operate The Club, including management, member benefits, web services, member publications and collateral materials. The amount of The Club Fee will be determined by The Club each year, and may vary by Collection, membership class and/or loyalty tier. The Club dues may be included in the base fee and may be billed on a set per-Member class or loyalty tier basis, a per point owned basis, a combination of these or another method established by The Club.

### 1.6.3 Paying Management Charges and The Club Fee

When you receive your invoice or application for payment, your online account will be updated to show the amount outstanding and when it is due. Your account history is located in the Member Area under My Account. You may pay online by direct debit, credit or debit card, 24 hours a day, by following the instructions on the website. Any deposit previously made towards next year's bookings will be deducted from the balance due. Any overpayment of fees and dues will be credited to the following year.

### 1.6.4 Non-payment of Management Charges and The Club Fee

If fees and dues are not paid by the due date on the invoice, then membership rights will be suspended until payment is made and any reservations are subject to cancellation.

You must pay all Management Charges and The Club Fee in full before you can make a new reservation. Default, recovery and/or interest charges may be added to your account for non-payment of Management Charges and The Club Fee.

### 1.6.5 Late Charges

If Management Charges and The Club Fee have not been received by the due date, then late charges will apply. The invoice and/or accompanying letter will advise how much these charges will be. Failure to pay on all fees and dues in arrears may lead to the cancellation of your membership.

### 1.6.6 Payment of Management Charges for Next Year

If a booking is made for the following year, then a prepayment amount for your Management Charges may be requested prior to the booking being made. The remainder due will be invoiced at the usual billing time; this must then be paid by the due date on the invoice/application to ensure the reservation is not cancelled. Should the following year's Management Charges be less than what has already been paid for the reservation, then the account will show a credit.

## 2. HOW YOUR MEMBERSHIP WORKS

### 2.1 Primary Member

Each membership must have a designated Primary Member who will receive communications and invoices.

### 2.2 Associate Member

Associate Members are nominated by the Primary Member and are usually family members and/or close friends. They can make a booking either on the Primary Member's behalf or for themselves using the Primary Member's points. An Associate Member will

not have access to the Primary Member's information and is not financially responsible for the membership. To make a booking, however, all financial aspects of the membership must be in good standing. An Associate Member form with the Associate's details must be completed, signed by all parties and returned to the office listed on the form. Associate Members cannot check-in at a resort with Member-Only Reservations and are ineligible to redeem points for Member Benefits.

### 2.3 Membership Renewal

Your membership is renewed automatically on 1 January of each year, dependent on the timely payment of your The Club dues. This keeps your membership current and allows you to make reservations, save points and use the Member Benefits available to you.

### 2.4 Membership Disputes

In the event of a dispute between Members of the same membership, the decision of the designated Primary Member shall be final.

### 2.5 Keeping Your Contact Information Current

Please keep your contact information (home address, telephone numbers and email addresses) updated. You can make changes online in the Member Area at [theclub.hiltongrandvacations.com](http://theclub.hiltongrandvacations.com) by selecting Member Dashboard > Edit Profile > Account Information and updating any items necessary, or by contacting Member Services.

Please notify Member Services if your name changes. Some changes to your membership may incur administrative charges, and you will be advised of the charges at that time.

### 2.6 Suspension Of Your Membership

Suspension is the temporary withdrawal of membership rights, such as the right to make reservations or use the features and/or benefits of your membership. There are a number of reasons why a membership may be suspended and may include, but are not limited to, any one or a combination of the following:

- Conduct unbecoming of a Member
- Breach of the rules and regulations, including untimely or non-payment of dues, late penalty charges and any other charges that may be levied, together with the untimely or non-payment of a loan or finance arrangement with us
- Unavailability of the week/accommodation which has been assigned by a Member to The Club, if applicable
- Unacceptable transfer, selling or renting of accommodation for commercial purposes

During suspension, you cannot make new reservations, and any confirmed reservations are subject to cancellation. All account fees and dues are required to be paid and the account maintained current during any suspension period.

If membership is suspended for non-payment of fees and dues, late penalty charges will continue to accrue until payment of all money due is made in full.

### 2.7 Termination Of Your Membership

Termination may also be the ultimate action taken against a Member who has been suspended, in circumstances where the Member fails to refrain from inappropriate conduct or to remedy the breach following suspension.

Termination of a membership is deemed as the complete withdrawal of membership rights on a permanent basis.

## 3. POINTS ALLOCATION

Each year on 1 January (as long as your Management Charges and The Club Fee are current), your membership is updated with your annual allocation of points, which you can use to make reservations.

- If you will not be using all of your points in that current year, you can save them by the deadline dates found in Section 5.1.

- If you need more points in the current year, you can borrow points up to the annual allocation from the next year, upon payment of a deposit (see Section 5.2).
- If you had points saved from the previous year, they were added to the current annual allocation for use within that year and cannot be saved for a second year.
- If you borrowed points last year, they were deducted from the current annual allocation.
- View your current year number of points at [theclub.hiltongrandvacations.com](http://theclub.hiltongrandvacations.com).
- You can only use your points if your annual Management Charges and/or dues are paid in full.

### 3.1 Term Points vs. Non-expiring (Perpetual) Points

When you purchase points, you are purchasing a beneficial interest within a Collection. Certain Members have purchased term points that have a defined end date, after which they automatically expire. For example, all points in the European Collection are term points that end in 2054. Other Members have purchased points in perpetuity; they have no defined expiration date. This will be explained during the purchase discussions, and the contract documentation will also indicate what type of points were purchased.

## 4. THE CLUB POINTS VALUES

### 4.1 Weekly Resort Points Values

All accommodation types at resorts in our portfolio have been assigned a points value for each week in the calendar. This value is determined by the location and facilities at the resort, the season and week number, check-in day, accommodation size and accommodation facilities. The number of points needed to make a reservation are listed in Points Values beginning on page 24 of this directory.

### 4.2 Changes In Points Values

While there may be points value variations to adjust for annual changes in seasons, check-in days, public holidays and special events, the total points value over the course of a year for standard check-in days will not increase.

The only exception to changing points values may be where an affiliate or inventory at a Primary Member-Only inventory Reservations Resort undergoes refurbishment or structural changes that warrant the points values to be re-evaluated and amended accordingly. This change may be to raise or lower values and may be adjusted without notification. In the event that such an adjustment occurs, all existing reservations will be accepted at the points values applicable at the time of booking.

## 5. MANAGING YOUR POINTS

### 5.1 Saving Points Deadlines

If you do not intend to use all or part of your current year's allocated points within the current year, you can save points into the following year's allocation, as long as your dues are paid in full. The deadlines by which points must be saved each year are:

Tier	Channel	By Aug 31	Sep 1–Nov 30	Dec 1–31

#### 5.1.1 How to Save Points

Go to [theclub.hiltongrandvacations.com](http://theclub.hiltongrandvacations.com) and log in to your account or call Member Services to save Points. Saved Points may be accessed during the current year.

Reservations made with Points from the current year's allocation for arrival in the year after the points were allocated may require a deposit of £125/€200.

## 5.2 Borrowing Points

If you need more points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of points from next year's allocation by paying a deposit equal to 75% of the current year's Management Charges. This amount will then be deducted from next year's Maintenance Fee bill. You can only borrow from next year's allocation of points and not from any year beyond that. You can borrow points that have previously been saved from the current year's allocation without a deposit, although an administrative fee may be charged.

Once points have been borrowed, they will expire in the year in which they were borrowed unless they are used. They cannot be saved for use in the following year.

### 5.2.1 How to Borrow Points

When you make a reservation through your account online, the system will allow you to borrow points if you do not have enough remaining in the current year; however, a deposit may be required at the time of booking. An agent in Member Services is available to assist if reservations are made by phone, and this deposit will be collected as part of the online booking process for online reservations.

## 5.3 The Club Flexibility

Are you in need of more points to complete your reservation but do not want to borrow points from your following year's allocation? You can take advantage of The Club Flexibility. This option gives you the flexibility to purchase one-time use points to be applied towards your reservation.

- Standard Members pay £0.31/€0.49 per point.
- Silver Members pay £0.26/€0.41 per point.
- Gold Members pay £0.25/€0.39 per point.
- Platinum Members pay £0.22/€0.34 per point.

## 5.4 The Club Value

Silver, Gold and Platinum Members may purchase one-time use points at an advantageous rate to complete a reservation during the applicable window:

- Silver Members pay £0.14/€0.23 per point on non-discounted reservations when booking within 14 days of arrival.
- Gold Members pay £0.14/€0.23 per point on non-discounted reservations when booking within 28 days of arrival.
- Platinum Members pay £0.13/€0.20 per point on non-discounted reservations when booking within 35 days of arrival.

## 5.5 Selling Points

You can sell points to another Member by private arrangement provided that you do not use the services of an unauthorized resale company. You can also sell points to a non-member provided that you use an authorized resale company. Once an agreement has been made, the selling Member must contact Owner Operations to advise of this proposed transaction, at which time the current procedure for transfers will be explained. As soon as all formalities have been completed, such as verifying memberships, settlement of outstanding maintenance/management fees and receiving the completed and signed documentation in full, along with payment of the respective transfer administration fee, the transfer will be processed.

NOTE: Resale points or points that are sold privately or through a reseller will have restricted use (i.e., they cannot be exchanged for use in The Club, be redeemed for member benefits or count towards loyalty tiers).

## 5.6 Gifting Points

You are free to gift points to your spouse, siblings, parents or children. The Club Points may also be gifted to a beneficiary in the event of death (either under the terms of a will or in accordance with the applicable inheritance rules). Please note that your beneficiary is not required to accept the membership. If they disclaim the membership, the membership will terminate.

## 6. RESERVATION PERIODS/ BOOKING WINDOWS

### 6.1 Members With Home Collection Priority

Most Members have a Home Collection Priority. This means you can book into your own Home Collection starting 13 months prior to your planned arrival date. At 10 months prior to arrival, all resorts within The Club portfolio become available to all Members for booking, subject to availability.

If you have points in more than one Collection, then the rules for each Collection apply to the appropriate points allocation (i.e., you will only be able to use all of your points together to make a reservation at 10 months prior to arrival and not any earlier).

### 6.2 Members With Home Resort Priority

Some Members also have a Home Resort Priority. This means that when they purchased Collection points, they owned a fixed or floating week at a resort (their home resort). These Members can confirm a reservation at their home resort as early as 12 months prior to arrival.

If these Members do not confirm a reservation at their home resort 10 months prior to their check-in date, the assigned week is made available to other Members of The Club. These Members also have the option to book at any time from 13 months prior to their planned arrival date into their Home Collection, and then at 10 months at any other resort in The Club portfolio (i.e., across all the Collections and at affiliate resorts).

### 6.3 Booking Windows

Reservation booking windows are as follows:

- From 13 months, Members can confirm a reservation at any resort in their Home Collection.
- From 12 months, Members can book into their home resort (where applicable).
- From 10 months, Members can book into ANY available resort in The Club.

### 6.4 Platinum Member Booking Windows

This benefit, exclusive to Platinum Members of The Club, provides an extended 30-day booking window for select Developer Inventory\* in certain resorts. You can now book 14 months in advance in your Home Collection, or 11 months in advance at other Collections.

\*The Developer owns certain inventory at many of the Collection resorts that are not part of a Collection. This inventory varies over time, by resort and by season. The Developer makes no guarantees regarding the amount, location or type of Developer Inventory available through this benefit. For a complete and up-to-date list of Developer Inventory available to Platinum Members for advance booking, please visit the Member Area > Reservations > Online Reservations > Basic Search. Access to Developer Inventory is subject to change without notice and in the sole discretion of the Developer.

## 7. RESERVATION PROCEDURES

### 7.1 Making A Reservation

Reservations can be made up to a maximum of 10-14 months before the arrival date, depending on membership rights (see Section 6). You can make as many reservations as you wish, up to the value of the points available to you, as long as all Club dues and Maintenance Fees are current.

If you are restricted from travelling during peak seasons where demand is high, such as on public holidays and over school breaks, and you know your travel dates, then we suggest you confirm the booking request as far in advance as possible, particularly if you require larger size accommodation (e.g., two- and three-bedroom), as demand during these times is typically very high. All reservations are made on a first-come, first-served basis and are subject to availability.

Upon confirmation of a booking, you will be advised if there may be any additional charges during your stay.

#### 7.1.1 Determine how many points are required

The points values for all of the resorts are listed on page 24 of this book. To establish how many points are required:

- Determine the preferred dates of travel.

- Check the proposed travel dates against the Weeks Calendar for the year of travel to determine the week number.
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number.
- The Reservations Directory will indicate the number of points required for a 7-night stay when checking in on a standard check-in day.

### 7.1.2 Searching for availability and booking your reservation

Book your stay quickly and easily online at [hiltongrandvacations.com](http://hiltongrandvacations.com). To book your stay online, log in to the Member Area and go to Reservations > Online Reservations and choose the right search option for your needs. You can search by location, experience, specific arrival date, date range or points range. Once your preferences are entered, select Search (or Find) to display your options. You can choose to have your results displayed as a list or on a calendar. You can view prices in points, currency or points plus currency. Select the option you would like to book, and follow the steps to confirmation.

When searching availability using one of the three Finder tools, your FAVOURITE places or WISHLIST places can display as top choices on the search engine. You can do this by tagging the places you love from the Member Area. Just select Locations, find a resort, hotel or cruise that you frequent or would like to visit and tag accordingly. FAVOURITE places are denoted by a heart ♥ and WISHLIST places are denoted by a star ★.

Use the Destination Finder Feature to quickly search for availability worldwide by specifying the number of nights you wish to stay, number of occupants and accommodation type.

### 7.1.3 Valued Getaways

Valued Getaways makes finding affordable vacations easy. Find all in one place: reasonably priced, 7-night stays for availability in The Club.

### 7.1.4 Loyalty search requests

We will do the searching for you! Silver, Gold and Platinum Members may set up an automated search either online or with a dedicated Member Services representative for a resort or region, date or date range, number of nights and any accommodation size or type, up to 10 months prior to arrival.

To use the search online feature if your desired availability is not found, you will automatically be given the option of placing an on-going search.

- Silver Members may set up one (1) active search.
- Gold Members may set up three (3) active searches.
- Platinum Members may set up five (5) active searches.

## 7.2 The Club Points Values

### 7.2.1 Weekly points values

Weekly points values, as shown in the Points Values section of this directory, are valid when checking in on the designated check-in day, which is stated on each resort points table. If you stay for durations other than seven nights or check-in on a day other than the designated check-in day, the nightly values apply.

### 7.2.2 Variable points values

When booking Club affiliated hotels, the points are shown as “starting at” with a nightly points rate.

### 7.2.3 Nightly, midweek and weekend points values

Reservations with a duration of less than 7 nights are available at certain resorts. This also applies to additional nights booked following a standard weekly reservation.

The points calculation for a stay of less than seven nights is as follows:

- Sunday to Wednesday inclusive; each night is 10% of the weekly points value.
- Thursday to Saturday nights; each night is 20% of the weekly points value

Reservations made at selected resorts for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

Any exceptions to this rule are indicated on the chart for the specific resort in the Member Directory. Current minimum stay for reservations with The Club is two nights, unless otherwise noted. Remember you can always use your The Club Flexibility benefit if you need additional points to complete your booking.

### 7.3 Reservations Less Than 59 Days From Arrival

For certain resorts, if there is availability less than 59 days prior to arrival, the standard check-in day weekly points values are discounted by 50%. For short stay points values at those selected resorts, a 50% discount will apply to all reservations made within 30 days of arrival. These reservations are subject to availability; however, they offer exceptional value for those with flexible travel plans and are offered on a first-come, first-served basis.

### 7.4 Reservations For The Following Year

If you are booking a reservation for the following year, then a deposit may need to be paid prior to the booking being confirmed. The remainder of the fees due will be invoiced at the usual billing time and must be paid by the due date on the invoice to ensure your reservation is not cancelled.

### 7.5 Special The Club Points Offers

The Club may offer additional points discounts to Members to ensure optimum usage of a resort. These will be promoted in various ways, including but not limited to, on [hiltongrandvacations.com](http://hiltongrandvacations.com) and by email. To ensure you are receiving every value-packed offer available to you, please keep your contact preferences current.

### 7.6 Booking Accessible Accommodation

Reservations for accessible accommodation can be made by Members with mobility requirements by calling the Access Requirements team. This team has access to book the accessible accommodation in our resorts at the time of the call. If the resort requested is an affiliate, the team Member will confirm if the resort offers the accommodation needed and ensure that the resort is made aware of the request. We are not able to guarantee or confirm accessibility will be fulfilled at the affiliate resort, so the agent will contact the Member to offer assistance for alternative accommodation, if required.

If you have any access requirements or needs you wish us to be aware of, or if you want assistance in locating a resort that can provide comfortable accommodation for your needs, please contact us at your earliest convenience. Accessible units are available on a first-come, first-served basis and are subject to availability.

- If you are travelling to North American or Asian resorts, please call **888-250-6150**
  - If you are travelling to European, Australian or African resorts, please call **0345 359 0009** or email [accessrequirementsEU@hgv.com](mailto:accessrequirementsEU@hgv.com).
- Accessible accommodation choices cannot be confirmed via online booking; however, requests can be made at the time of booking.

If accessible accommodation is not booked prior to 45 days before the arrival date, they will be released for general reservations.

### 7.7 Updating Accessibility Preferences

Please let us know of any accessibility requirements you have prior to your arrival at the resort.

You can have your account flagged with details of which you would like us to be aware. You can update your accessibility profile online in Member Dashboard > Account Information > Accessibility. Tell your reservationist if booking by phone.

Each of our Resorts has its own Accessibility page at [hiltongrandvacations.com](http://hiltongrandvacations.com) that offers details about the resort including the surrounding terrain, grounds, accessibility of common areas and any aids available on request, such as shower chairs or toilet risers.

### 7.8 Third-Party Reservations

As a Member, you may make a reservation in your name and pass it on to family and friends for their personal use subject to

obtaining a Guest Certificate. However, you are not allowed to make a reservation in your name and exchange it with anyone other than our appointed exchange company, Interval International (II). Reservations found to be made available to third parties other than with a valid Guest Certificate or through an II exchange will be cancelled, and the points used will be forfeited. This could also result in a suspension of your membership.

## 7.9 Reservations Made For Commercial Gain

While it is open to Members to rent out their accommodation if they wish, reservations transferred to third-party companies for commercial usage are prohibited. Advertising online or otherwise for such rental opportunities is likewise prohibited. If such practices are discovered, The Club reserves the right to cancel those bookings and may suspend and/or terminate your membership.

## 8. RESERVATIONS FOR YOUR GUESTS

### 8.1 Requesting A Guest Stay

You can make reservations for your family or friends without staying with them by advising Member Services that a Guest, with your authorization, will be occupying the booked accommodation. A Guest Certificate will then be issued in the form of a confirmation email or letter in their name. The first Guest Certificate following the annual points allocation will be free and additional complimentary certificates may be offered, dependent on your membership level. All subsequent Guest Certificates for the remainder of that points allocation year will require a fee per Guest Certificate, payable by credit or debit card upon booking. Only Primary Members may check-in at a resort with Primary Member-Only Reservations.

- Standard Members receive one (1) complimentary Guest reservation per year.
- Silver Members receive three (3) complimentary Guest reservations per year.
- Gold and Platinum Members receive five (5) complimentary Guest reservations per year.
- Guest reservation fees are £15/€21 per reservation.

### 8.2 Guest Certificate Rules

A Guest is defined as anyone who checks in who is not the Primary or Associate Member. If a Guest does not present a Guest Certificate or confirmation in his or her name at the time of arrival, then the resort may not be able to complete the check-in.

### 8.3 Guest Responsibilities

Guests must comply with all rules and regulations governing The Club and the resort during their stay. Members ultimately take full responsibility for any infractions of the resort rules and will be responsible for payment of any expenses incurred or not settled by Guests during their stay, as well as the cost of any damage caused by the Guests.

A Guest may bring additional people to stay, but the total number of Guests must not exceed the maximum occupancy of the accommodation.

## 9. CANCELLING RESERVATIONS

### 9.1 Cancellation Penalties

Depending on the notification period, cancellation of a reservation will mean a loss of points calculated as a percentage of the points used.

Notification of cancellation percentage loss of points:

- 91-365 days prior to arrival date - 0%
- 61-90 days prior to arrival date - 25%
- 31-60 days prior to arrival date - 50%
- 0-30 days prior to arrival date - 100%

If you need to cancel a confirmed reservation, contact Member Services as soon as possible, or cancel online in the Member Area in Confirmed Reservations under Reservations.

If you cancel a reservation, you may not re-book a similar reservation as a late availability reservation (see Section 7) or any other discounted points booking. Members are encouraged

to purchase a Reservation Protection Plan (RPP) at the time of booking. This will ensure 100% reimbursement of the points charged for the booking should they need to cancel for any reason up to 31 days prior to arrival (except in the case of a reservation using Value points, where cash will be returned).

### 9.2 Points Returned Due To Cancellations

Points that have been returned as part of a cancellation can be saved for the following year, as long as they have not been saved from a prior year and were not borrowed points from the following year. Saving points deadlines still apply.

### 9.3 Club Operating Company Cancellations

The Club may have to cancel reservations in certain circumstances, such as in the instance of a natural disaster, when a resort ceases to be part of The Club portfolio or if a resort becomes unsuitable for use. In these unusual instances, The Club will give as much notice as possible and will offer alternative arrangements.

## 10 RESORT CHECK-IN

### 10.1 In-Resort Rules

Each occupant of the accommodation must comply with the rules of that resort and The Club at all times. No Member or Guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where The Club and/or resort rules allow, such as in the case of service animals.

### 10.2 Check-in After The Planned Arrival Date

If Members are not intending to check-in at the resort on the originally booked date of arrival, or their plans change and they are unable to arrive as previously scheduled, they must contact the resort Front Desk/Reception 24 hours prior to the original arrival date and advise when they will be arriving. Failure to do so may result in the cancellation of the booking and the possibility that there may be no availability when the Member arrives.

### 10.3 Non-Arrival

If Members do not cancel a reservation and do not use their reservation, then they forfeit the points used for that booking and may be charged a no-show fee.

## 16.5 Community Initiatives

### Go Green

We are actively taking steps to be an environmentally conscious, sustainable global organisation that recognises how our actions affect the lives of our Members, Owners and Guests, our communities and, ultimately, our planet. When visiting our property, we ask that you:

### Save Electricity

Switch off unnecessary lights, air conditioning and other electrical appliances.

### Save Water

By showering you use half as much water as a bath. Do not use the toilet as a wastepaper bin and do not leave the water running while shaving, brushing your teeth or washing up.

### Protect Nature

Do not leave litter. Paper, metal and plastic are harmful to nature and do not biodegrade.

### Recycle

Please help us keep our resorts environmentally friendly by depositing separated rubbish in the designated areas. We appreciate your help in keeping our resorts clean and protecting the environment by reducing, reusing and recycling. Together, we can truly make a difference.

## 16.6 Sustainable Gardens

In order to become more environmentally conscious, many of our resorts are growing their own sustainable gardens featuring a variety of herbs, fresh fruits and vegetables. Each garden boasts unique features and hosts an array of fresh produce native to the area while specific to the cultural cuisine and restaurant offerings. In addition to cooking benefits for the restaurants, the gardens have also proven useful as an educational tool for Guests and children as they are allowed to tour the gardens, pick fresh ingredients and participate in cooking demos.
