Exchanging with Destination Xchange

Destination Xchange gives you the opportunity to book a 7-night exchange instantly through the Instant Xchange or with a Tier Credit from a 5-Year Deposit.

5-Year Deposit

You can deposit your Points into Destination Xchange for Tier Credits as indicated on the Points and Tier Chart on page 11. Reservations with Tier Credits can be made up to 24 months in advance for accommodations within that Tier (or any lower Tier). You can choose to book into a higher Tier than your deposited Tier Credit by paying a Tier Upgrade Fee per Tier level increase. The Tier Upgrade Fees are detailed on page 15. Reservations with Tier Credits may be made up to five years from the date the Points were deposited. Travel may extend beyond the expiration date.

Instant Xchange

The Instant Xchange allows you to utilize your Points to confirm a reservation up to 24 months in advance. This option gives you the ability to use all or a portion of your Points in an instant. Refer to the Points and Tier Chart on page 11 for the Points values of a 7-night stay in each season and size of accommodation.

Payment of the Standard Exchange Fee is applicable for all reservations made. Tier Upgrade Fees are payable when a reservation using the 5-Year Tier Credit is booked into a higher Tier than the Tier Credit. Points will be deducted from your current year's Points allocation up through 31 October; thereafter, Points will be deducted from your following year's Points allocation. You can request a Destination Xchange reservation up to 24 months before your chosen dates of travel. There is also an option to borrow Points from the following year's Points allocation to book an Instant Xchange or deposit a higher Tier Credit for a 5-Year Deposit. Multiple Tier Credits are allowed but cannot be combined for higher Tier stays. Points cannot be returned, withdrawn or removed once they are converted into a Tier Credit. Reservations made with Tier Credits must be done prior to the expiration date of the Tier Credit.

Points and Tier Chart

How It Works

Each 7-night resort stay has a Points value and an equivalent Tier assigned to it. Tiers are designated 1 through 6, with 6 being the high-demand locations and times of the year in the larger-size accommodations.

As a Member, you can use the Instant Xchange, which allows you to instantaneously book using your Points, or you can convert your Points into a Tier Credit to reserve accommodations at a later date. Tier Credits made with the 5-Year Deposit are valid to book accommodations up to five years from the date you create the Tier Credit.

Each week is assigned a Points value and a Tier which are determined by a number of factors including resort destination and location, availability, seasonal demand

and size of accommodations. So what does this mean? You can expect larger accommodations to be valued at a higher Tier/more Points than smaller accommodations. Higher-demand times of the year such as holidays and peak vacation times (i.e., summer and school holidays) will also be valued at a higher Tier/more Points than off-peak and low-demand times. Destinations with limited accommodations (i.e., ski resorts) will be valued at a higher Tier/more Points versus locations with an abundance of accommodations.

Please refer to the Points and Tier Chart below for details of the Points or Tiers required to book a Destination Xchange 7-night stay.

Points and Tier Chart

SEASON	LOW	MID	HIGH	PEAK	ULTRA PEAK
Studio	TIER 1: 2,000 Points	TIER 1: 2,000 Points	TIER 2: 4,000 Points	TIER 3: 6,000 Points	TIER 4: 8,000 Points

4-Bedroom	TIER 3: 6,000 Points	TIER 4: 8,000 Points	TIER 5: 10,000 Points	TIER 6: 12,000 Points	TIER 6: 12,000 Points

The most popular exchange reservations are made into accommodation in High Season in all sizes of accommodation.

Upgrading a Tier Credit

If you decide to book into a higher Tier from your original Tier Credit, a Tier Upgrade Fee will be charged in addition to the Standard Exchange Fee. Tier Upgrade Fees can be paid with Points or cash and are determined by your loyalty level. A Tier Upgrade Fee is charged per Tier upgraded (e.g., if redeeming a Tier 2 Credit and reserving a Tier 4 accommodation, then 2 x Tier Upgrade Fees will be payable). Refer to the Fee Schedule on page 15 for the Tier Upgrade Fees.

If you choose to book a lower Tier stay using a higher Tier Credit, no refund or credit will be offered for the difference in Points.

Short Xchanges Coming Soon!

When You Only Have Time for a Quick Getaway

Whether you need a little downtime on the beach, romance in the mountains or a quick golf getaway with friends, a Short Xchange gives you the option to do it all. Destination Xchange offers you 2- to 6-night stays at selected destinations within 30 days of travel using Points. Shorter travel means fewer Points used. These reservations offer exceptional value for those with flexible travel plans. A Short Xchange Fee is payable for each exchange reservation. Refer to the Fee Schedule and additional terms and conditions on page 15.

This Destination Xchange benefit is not currently available. Additional details will be provided when it becomes available. These reservations are limited and offered on a first-come, first-served basis and subject to availability when it becomes available to book. A Destination Xchange Protection Plan cannot be purchased for Short Xchanges. Tier Credits cannot be used. If you cancel a Short Xchange, you forfeit all Points used.

Express Xcapes Coming Soon!

Let Your Wanderlust Guide You

When the travel bug gets the best of you, Destination Xchange has you covered with Express Xcapes. Destination Xchange understands it can be difficult to make last-minute, cost-saving travel plans, so we created Express Xcapes especially with you in mind. Whether you are busy at work or having a difficult time coordinating schedules with family and friends, Express Xcapes offers last-minute, easy-to-book travel.

Book 7-night stays in an accommodation at 50% off the Points value within 30 days of arrival and as close as 72 hours prior to check-in as detailed in the Points and Tier Chart.

This Destination Xchange benefit is not currently available. Additional details will be provided when it becomes available to book. These reservations are limited and offered on a first-come, first-served basis and subject to availability. Points discount does not apply to any pending requests confirmed within 30 days of arrival. A Destination Xchange Protection Plan cannot be purchased for Express Xcapes. Tier Credits cannot be used. If you cancel an Express Xcapes, you forfeit all Points used.

Destination Xtras Coming Soon!

Enjoy 7-Night Stays Starting at £227/€267

Destination Xtras are highly discounted bookings paid with cash, not Points. These discounted stays are often less than the cost of a hotel room per night for a fully furnished accommodation.

Destination Xtras reservations can be booked up to 12 months prior to the desired travel date. Access to Destination Xtras is limited and based on a Member's loyalty level (see page 15 for more information). A debit or credit card is required for reservations. Full payment will be taken at the time of booking and is nonrefundable if you fail to check-in or cancel. A Destination Xchange Protection Plan cannot be purchased for Destination Xtras.

How Do I Exchange?

To book a Destination Xchange getaway, follow these simple steps.

1. Choose Your Stay

Select your preferred destination, travel dates, accommodation size and the number of Points or Tier Credit you wish to use.

2. Create Your Reservation

Destination Xchange provides you with two ways to book your exchange — the Instant Xchange using points from your current points allotment, or an existing Tier Credit deposit using the 5-Year Deposit. Once you have chosen your preferred booking method and you meet all necessary conditions, then you simply provide your desired stay details to confirm your exchange over the phone with a Member Services Specialist or by going online at club.hiltongrandvacations.com. If you decide to book a stay using the online booking method, you will automatically receive £10/€10 off the Standard Exchange Fee.

3. Reservation or Request Confirmation

A reservation confirmation will be sent to the email registered to your account.

Guest Stays

Give the Gift of Holidays

As a Member, you understand the importance of taking a break from your daily routine, from short weekend getaways to extended holidays. Share your joy of travel with friends and loved ones. You can purchase a Guest Certificate for friends and family for a fee. Simply book your guest's reservation and provide their name at the time of booking or by contacting Member Services to update the reservation with the guest's name. Refer to the Fee Schedule on page 15 for Guest Certificate Fees.

Guests must present the Guest Certificate or confirmation in his or her name at the time of arrival or the resort may refuse check-in. Additional guests may stay but the total number of guests must not exceed the maximum occupancy of the given accommodation. Guest Certificate Fees are charged per exchange reservation.

Check-in Procedures and Reservation Rules

Confirmation Letters

Once your reservation has been confirmed, an email will

be sent to the email address registered to your account. Please review the content of the confirmation in its entirety. Be sure to bring your confirmation letter with you for check-in. If a late check-in is required, contact the resort as soon as possible or your room may be released due to a no-show.

Check-in After the Planned Arrival Date

If you are not intending to check-in at the resort on the originally booked date of arrival, or your plans change and you are unable to arrive as previously scheduled, you must contact the resort at least 24 hours before your original arrival date and advise when you will be arriving. Failure to notify the resort may result in the cancellation of the reservation and the possibility that there may be no availability when you arrive.

Resort-Specific Rules

Each occupant of an accommodation must comply with the rules of that resort and Destination Xchange at all times. No Member or Guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where resort rules allow, such as in the case of service animals.

No Arrival

If you fail to check-in, you will be considered a no-show and your reservation will be cancelled within 24 hours of your arrival date. Additionally, any Points or Tier Credits and Exchange Fees previously paid will automatically be forfeited.

Resort Fees, All-Inclusive Fees and Additional Charges

Be aware that you may incur additional fees or charges from the resort. Generally, they are detailed on the website and are reflected on your confirmation letter but we suggest contacting the resort directly to confirm.

Reservation Cancellation

You can cancel an exchange reservation within 24 hours of booking without penalty. Unless the Destination Xchange Protection Plan is purchased, any cancellation after 24 hours of booking will result in a forfeiture of Points or Tier Credit and all Exchange Fees paid. The purchase of a Destination Xchange Protection Plan at the time of booking is advisable in order to safeguard your Points and avoid losing them.

Cancelling a Short Xchange, Express Xcapes or Destination Xtras Reservation

If you cancel your Short Xchange or Express Xcapes reservation, you will lose any Points used, applicable Exchange Fees and any other fees paid. If you cancel your Destination Xtras reservation, you will not receive a refund of the cash price paid.

Destination Xchange Protection Plan

Protect Your Exchange Reservation

When the unexpected happens, you can help protect your Points and Tier Credits with the Destination Xchange Protection Plan.

If the Destination Xchange Protection Plan is not purchased at the time of booking, it may be purchased up until 31 days prior to arrival for an additional fee. Please refer to the Fee Schedule on page 15.

Instant Xchange

The purchase of a Destination Xchange Protection Plan for an Instant Xchange reservation will ensure that you will receive a Tier Credit equivalent to the value of the Points used to make the reservation for cancellations made up to 31 days prior to the arrival date of the reservation. The Standard Exchange Fee and any other fees paid will not be refunded.

If the reservation is cancelled within 30 days of the arrival date, the Points, the Standard Exchange Fee and any other fees paid will be forfeited.

Any reservation then made using the Tier Credit must be made within five (5) years of the date of the original Instant Xchange and will require the payment of the Standard Exchange Fee and any other applicable fees.

If the reservation was made into an accommodation in the same Tier as the Tier Credit redeemed, then for cancellations made up to 31 days prior to the arrival date of the reservation a Tier Credit for the same Tier will be reinstated. The Standard Exchange Fee will not be refunded.

If the reservation was made into an accommodation in a higher Tier than the Tier Credit redeemed through the payment of the Standard Exchange Fee and Tier Upgrade Fee(s) then for cancellations made up to 31 days prior to the arrival date of the reservation a Tier Credit equivalent to the Tier of the reservation will be reinstated. Managing Your Points and Tier Credits

Points for Short Xchanges

You can use Points (not Tier Credits) to book stays of fewer than 7 nights. More information on Short Xchanges can be found on page 11.

Depositing Points

In order to take advantage of the 5-Year Deposit, you will first need to deposit your Points into Destination

Xchange in set amounts to be converted into a Tier Credit. The Tier Credit can then be utilised to book an accommodation within 5 years from the date of deposit. Refer to page 11 for more information on making and exchanging using Tier Credits.

Borrowing Points

If you need more Points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of Points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This amount will then be deducted from next year's maintenance fees. Once Points have been borrowed they will expire in the year which they were borrowed unless they are used; they cannot be saved for use in the following year.

Borrowed Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. For further information, please see the cancellation policy detailed on page 13.

Using Saved Points

You can use Points that have previously been saved from the previous year's allocation. Once Points have been saved, they will expire in the year in which they were saved unless they are used.

Saved Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. For further information, please see the cancellation policy detailed on page 13.

Frequently Asked Questions

How do I access my Destination Xchange account online?

Log in to your account at club.hiltongrandvacations.com for immediate access to Destination Xchange. On the top navigation bar, highlight "CLUB" and you will see a Destination Xchange Section with buttons allowing you access to searches and membership information.

What communication will I receive from Destination Xchange?

As a Member of Destination Xchange, you will receive reservation confirmation emails for every exchange booked. Be sure to keep your contact details current in order to receive reservation confirmation emails and other exclusive program communications. Your Member Area will always be current so you can enjoy your membership with the most updated benefits and resort offerings. You will also receive periodic newsletters highlighting any changes or additional benefits added to your membership.

How do I make an exchange reservation?

You can book an exchange reservation instantly using your Points, or you may use an existing deposit (Tier Credit). With either option, simply provide your travel dates, desired location and accommodation type in order to search availability online at club.hiltongrandvacations.com or over the phone with a Member Services Specialist.

How does the Points and Tier Chart work?

The Points and Tier Chart helps to prepare you for the number of Points you can expect to pay for your exchange reservation or what Tier to deposit your Points into.

What is the Instant Xchange reservation process for Destination Xchange?

Instant Xchange allows reservations to be booked instantaneously up to 24 months in advance. You can reserve an accommodation for the Points value detailed in the Points and Tier Chart on payment of the Standard Exchange Fee. Points will be deducted from your current year's Points allocation. Benefits of the Instant Xchange include the option to use all or a portion of your Points.

How does using a 5-Year Deposit work when booking an exchange reservation?

You first need to deposit your Points into Destination Xchange as shown on page 11. Once deposited, your Points are then converted into a Tier Credit which can be used to book an exchange into an accommodation in that Tier or lower Tier within five years from the date of deposit. Or you can make an exchange into an accommodation in a higher Tier than your Tier Credit by paying a Tier Upgrade Fee per Tier increase in addition to the Standard Exchange Fee.

How do I know which Tier to deposit my Points into?

The number of Points you have available to use will help

determine which Tier to deposit your Points into. Reviewing the Points and Tier Chart will also help you determine which Tier to deposit your Points into. The most popular exchange reservations are in High Season in all sizes of accommodation. Remember, you can always upgrade your Tier Credit and make an exchange reservation into a higher Tier by payment of the Tier Upgrade Fees. However, if you choose to make an exchange reservation into a lower Tier than your Tier Credit, you will not be eligible for a refund.

What if I want to book a stay outside my original Tier Credit?

You can choose to make an exchange into an accommodation in a higher Tier than your Tier Credit by paying a Tier Upgrade Fee per Tier increase in addition to the Standard Exchange Fee.

Example: You have a Tier 2 Credit and choose to make an exchange reservation in a 2-Bedroom accommodation in Tier 4 so you redeem your Tier 2 Credit and pay the Standard Exchange Fee and 2 x Tier Upgrade Fee (as the Tier increase is 2 Tiers).

When do 5-Year Deposits expire?

Reservations with Tier Credits may be made up to five years from the date the Points were deposited. Travel may extend beyond the expiration date.

What is my booking window?

The booking window is up to 24 months out from the current date for all exchange reservations. Select Hilton Grand Vacations managed and affiliated properties may be made available to Destination Xchange.

What is the final day to use or deposit my current year's Points allocation into Destination Xchange within the current calendar year?

The final day you may use or deposit your current year's Points allocation into Destination Xchange within the current year is 31 October. Thereafter, Points will be deducted from your following year's Points allocation. You will have the opportunity to deposit your current year's Points allocation during the month of November by paying the Late Deposit Fee.

When will I pay the Exchange Fee?

When you confirm your selected resort, you will pay the Exchange Fee (comprising the Standard Exchange Fee or Short Xchange Fee) and any applicable Tier Upgrade Fees, either on the phone with an agent or online. Don't forget — all exchanges made online receive a £10/€10 saving off the Standard Exchange Fee. The £10/€10 savings does not apply to the Short Xchange Exchange Fee. Exchange Fees and any applicable Tier Upgrade Fees are charged on a per exchange reservation basis.

Can I borrow Points to exchange into Destination Xchange?

If you need more Points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of Points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance

fees. This amount will then be deducted from next year's maintenance fees. Once Points have been borrowed they will expire in the year which they were borrowed, unless they are used. They cannot be saved for use in the following year.

Borrowed Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. For further information, please see the cancellation policy detailed on page 13.

Can I use saved Points to exchange into Destination Xchange?

You can borrow Points that have previously been saved from the previous year's allocation. Once Points have been borrowed they will expire in the year which they were borrowed unless they are used. They cannot be saved for use in the following year.

Saved Points cannot be returned, withdrawn or removed once they are used for an exchange reservation or to create a Tier Credit. For further information, please see the cancellation policy detailed on page 13.

Additional guests may stay but the total number of guests must not exceed the maximum occupancy of the given accommodation.

What is the cancellation policy on a Short Xchange, Express Xcapes or Destination Xtras reservation?

If you cancel your Short Xchange or Express Xcapes reservation, you will lose any Points used and any applicable Exchange Fees and other fees paid. If you cancel your Destination Xtras reservation, you will not receive a refund of the cash price paid.

Can I protect my Points if I need to cancel my reservation?

You are encouraged to purchase a Destination Xchange

Protection Plan at the time of booking.

The purchase of a Destination Xchange Protection Plan for an Instant Xchange reservation will ensure that you will receive a Tier Credit equivalent to the value of the Points used to make the reservation for cancellations made up to 31 days prior to the arrival date of the reservation. The Standard Exchange Fee and any other fees paid will not be refunded.

If the reservation is cancelled within 30 days of the arrival date, the Points, the Standard Exchange Fee and any other fees paid will be forfeited.

Any reservation then made using the Tier Credit must be made within five (5) years of the date of the original Instant Xchange and will require the payment of the Standard Exchange Fee and any other applicable fees.

The purchase of a Destination Xchange Protection Plan for a reservation made using a Tier Credit 5-Year Deposit will ensure that a Tier Credit is reinstated for cancellations made up to 31 days prior to the arrival date of the reservation. If the reservation was made into an accommodation in the same Tier as the Tier Credit redeemed then for cancellations made up to 31 days prior to the arrival date of the reservation a Tier Credit for the same Tier will be reinstated. The Standard Exchange Fee will not be refunded.

If the reservation was made into an accommodation in a higher Tier than the Tier Credit redeemed through the payment of the Standard Exchange Fee and Tier Upgrade Fee(s), then for cancellations made up to 31 days prior to the arrival date of the reservation a Tier Credit equivalent to the Tier of the reservation will be reinstated. The Standard Exchange Fee and Tier Upgrade Fee(s) will not be refunded.

If the reservation is cancelled within 30 days of the arrival date, the Tier Credit, Standard Exchange Fee, any Tier Upgrade Fees and any other fees paid will be forfeited.

If the Destination Xchange Protection Plan is not purchased at the time of booking, it may be purchased up until 31 days prior to arrival for an additional fee. Please refer to the Fee Schedule on page 15 for current fees.

Any reservation made using a reinstated Tier Credit must be made within five (5) years of the date of the original deposit of Points for the Tier Credit and will require the payment of the Standard Exchange Fee and any applicable Tier Upgrade Fees.

What if I can't make my arrival date?

You must contact the resort at least 24 hours before your planned arrival date and advise when you will be arriving. Failure to notify the resort prior to arrival may result in the cancellation of the reservation within 24 hours of arrival and the possibility that there may be no room availability upon arrival.
