The Kenmore Club

Kenmore by Aberfeldy
Perthshire PH15 2HH
Scotland
011-44-01887-830555

The Kenmore Club is the home away from home you've always longed for.

Situated in this most picturesque of Scottish villages — street lighting is somewhat frowned upon here, as they prefer the light of the stars — Kenmore is dominated by the calming waters of Loch Tay.

The Kenmore Club's charming cottage-style accommodations are in keeping with the local environment, making you feel completely at home. Of course, creature comforts abound and, just across the way, you will find Scotland's oldest inn, with a chimney breast inscribed by the hand of Robbie Burns himself.

Membership Guide

What is Monarch Club Connection?

Accommodation choices at selected owned, managed and affiliated resorts have been allocated for the Monarch Club Connection. Monarch Club Connection offers a global array of Member benefits, discounts and offers.

1. Your Membership

1.1 Designated Members

Each membership must have a designated primary Member who is an individual to whom all communication and invoicing will be sent. Associate Members are nominated by the primary Member and are usually Members of the family or close friends. They can make a booking either on the primary Member's behalf or for themselves using the primary Member's The Club Points without needing further permission. In the event of a dispute between Members of the same membership, the decision of the designated primary Member shall be final.

1.2 The Club Points Allotment

Monarch Club Connection Members will continue to receive their allotment of The Club Points at the beginning of each use term. The Club Points allotment have been increased by a factor of 60 from the legacy VOP values, to align with The Club Points Values.

1.3 Membership Renewal

Membership in Monarch Club Connection is continued dependent on the timely payment of quarterly Club Connection dues. This payment ensures that the membership remains current and allows a Member to make reservations and utilize the Member Benefits offering from Monarch Club Connection.

2. Managing Your The Club Points

All accommodation choices at resorts in our portfolio have been assigned a The Club Points value for each week in the calendar. This value is determined by the location and facilities at the resort, the season and week number, check-in day, accommodation size and accommodation facilities.

2.1 Purchasing The Club Points

Enrollment in The Club is required to permanently add more The Club Points and increase your yearly allocation. Please visit one of our sales centers to learn more.

2.2 Selling The Club Points

A Member can sell The Club Points to another existing Member of Monarch Club Connection by private arrangement. Once an agreement has been made between the selling Member and the purchasing Member, the selling Member must contact the Member Services department to advise of this proposed transaction, at which time the current procedure for transfers will be explained. As soon as all of the formalities have been completed (e.g., verifying memberships, settlement of outstanding maintenance/management fees and receiving the completed and signed documentation in full, along with

payment of the respective transfer administration fee), the transfer will be processed.

NOTE: Resale The Club Points, or The Club Points that are sold privately or through a reseller, may have restricted use (i.e., they cannot be exchanged for use in Monarch Club Connection and/or redeeming for Member Benefits).

2.3 Gifting The Club Points

A Member is free to gift The Club Points to his or her spouse, siblings, parents or children. The Club Points may also be gifted to a beneficiary in the event of death (either under the terms of a will or in accordance with the applicable inheritance rules).

3. Reservation Procedure

3.1 How to Make a Reservation

The Club Points values for all of the resorts are listed within this directory. To establish how many The Club Points are required, please take the following steps:

- Determine the preferred dates of travel.
- Check the proposed travel dates against the weeks calendar for the year of travel to determine the week number.
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number.

This directory will indicate the number of The Club Points required for a one-week stay when checking in on a standard check-in day. Specific check-in days are indicated below each resort listed in this directory.

For short stay The Club Points Values, a 50% discount will apply to all reservations made within 30 days of arrival. These reservations offer exceptional value for those with flexible travel plans, and are offered on a first-come, first-served basis.

3.4 Short Stay The Club Points Values

Reservations with a duration of less than seven nights are available at certain resorts, subject to availability. This also applies to additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy). - Friday and Saturday nights; each night is 30% of the weekly The Club Points value
- The Club Points values for short stay bookings made within 30 days of arrival are discounted by 50%

Reservations made for arrival on a non-standard check-in day are calculated at short stay The Club Points Values as noted above.

3.7 Cancellation of Reservations

Any regular reservation, whether for a full week or partial week may be canceled prior to 30-days before the first day of check-in on the first day of the Use Period. All VOP used to book this reservation will. Cancellations within 30-days prior to check-in on the first day of the Use Period will incur a 100% point penalty.

3.8 In-resort Rules

Each occupant of an accommodation must comply with the rules of that resort and Monarch Club Connection at all times. No Member or Guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where resort rules allow, such as in the case of service animals.

3.9 Check-In After the Planned Arrival Date

If Members are not intending to check-in at the resort on the originally booked date of arrival or their plans change and they are unable to arrive as previously scheduled, then they must

contact the resort front desk reception 24 hours prior to the original arrival date and advise when they will be arriving. Failure to notify resort reception may result in the cancellation of the booking and the possibility that there may be no availability when the Member arrives. If a Member does not check-in to the resort, the Member will forfeit all of The Club Points used to make that booking.
