Services and facilities guide of resorts available to Members of the EU Collection Limited

In this resort disclosure book, you will find details of certain accommodations and resort locations available to Members of the EU Collection Limited (“the European Collection”) so that you can check the facilities and services offered at the different resorts, and know exactly what to expect from each.

Each resort location is accompanied by a table which outlines the facilities and details of any charges for those facilities if applicable.

Please note that whilst a cleaning service is provided at all accommodations, some offer more than one option for Members depending on the duration of their stay. The table details this information.

Section One: Part A of the book details all accommodations that are held in Trust by First National Trustee Company on behalf of the Members of the European Collection, thereby affording European Collection Members who wish to make reservations at these resorts a 13-month booking window.

Section One: Part B of the book lists additional accommodations that (although not in Trust for the Members of the European Collection) are nevertheless specifically allocated to Members of the European Collection, thereby affording European Collection Members who wish to make reservations at these resorts a 13-month booking window.

Section Two of the book details accommodations that are held for Members of the other collections which are made available to Members of The Club pursuant to an affiliation agreement with The Club®. European Collection Members who wish to make reservations at these resorts have a 10-month booking window.

Section Three: Part A lists accommodations at Portfolio Resorts which are made available to Members of The Club pursuant to an affiliation agreement with The Club®. The listing of Portfolio Resorts is liable to change. Resorts may be removed and new resorts are frequently added. Please visit **theclub.hiltongrandvacations.com** for an up to date listing. European Collection Members who wish to make reservations at these resorts have a 10-month booking window.

Section Three: Part B lists accommodations at resorts available only to The Club Members with HGV Max benefits. The listing of resorts is liable to change. European Collection Members can usually book these resorts up to 7-months before arrival, though a few resorts have shorter booking windows.

The contents of this book are correct as of 1 June 2026. We reserve the right to make changes to this book at any time after publication, subject to your statutory rights and to the rules of governance prescribed in the Articles of Association of the EU Collection Limited.
