1. THE CLUB WITH HGV MAX BENEFITS — HOW IT WORKS

1.1 Resorts And Collections

Our resorts have been allocated into seven groupings that we call Collections. The Collections have been created to ensure the facilities included in each one will be available for use by their respective Members and by Members of The Club. This arrangement also ensures that the resorts within a Collection remain available to the Members of that Collection, whereas resorts that are part of The Club can change. While Cabo Azul Resort consists of only one resort, for the illustrative purposes of this guide, it is considered a Collection.

The seven Collections are named below, and the resorts that are currently within each are listed in the governing documents for each of the Collections:

- U.S. Collection
- Hawaii Collection
- California Collection
- European Collection
- Cabo Azul Resort
- Premiere Vacation Collection
- Monarch Grand Vacation Collection

A Member's purchase documentation will clearly show into which Collection the Member purchased and the resorts within that Collection at the time of purchase.

For Members of The Club who have enrolled their fixed week(s) into The Club with HGV Max Benefits and the HGV Max Loyalty Tiers — Each year during your membership in The Club, your week(s) will be automatically reserved for you using your Points allocation. You can then choose to use your week(s) or request to cancel the reservation for your week(s) and receive the allocation of points. If you cancel the automatic reservation for your week(s) and receive your allocation of points, then you can redeem your points for occupancy rights in accommodations on a worldwide basis in resorts participating in The Club including resorts available through HGV Max. All accommodations are subject to availability and are contingent upon payment by you of the annual The Club Fee for HGV Max Benefits and the Management Charges on your week(s) throughout the term of your enrolment in The Club.

A company cannot purchase a Collection membership, but once a Collection membership is purchased by an individual, it may be placed by a family member into a living trust or transferred to a company and may be subject to a transfer fee.

1.2 Affiliated Resorts

In addition to the resorts within each Collection, The Club has affiliations with many other resorts, which expands the portfolio of destinations at which you can stay when using points. These resorts may not have the brand standards and amenities you expect, but they are monitored to ensure they meet our standards of quality and service. Each affiliated resort is subject to cancellation and removal from The Club, and new affiliated resorts can be added at any time.

1.3 Global Partner Resorts

In addition to the resorts within each Collection, The Club has other resorts that expand the portfolio of destinations you may reserve using points. These resorts may not have the brand standard and amenities you expect, but they are monitored to ensure they meet our standards of quality and service. Each Global Partner resort is subject to cancellation and removal from The Club and new Global Partner resorts can be added at any time. Inventory in Global Partner resorts is limited to 7-night stays only and is subject to availability.

1.4 Resorts Available Through HGV Max

Members of The Club eligible to receive HGV Max Benefits are referred to as "HGV Max Members." Through an arrangement with Hilton Grand Vacations Club, Extraordinary Escapes and Bluegreen Vacation Club, HGV Max Members may reserve certain accommodations available through those programs. HGV Max Members may enroll in the Hilton Honors™ program through which HGV Max Members may convert their points into Hilton Honors Points and reserve available hotel and resort accommodations at discounted rates.

1.4.1 HGV Max Eligibility

Persons may become HGV Max Members as described above.

- New Membership: Persons who purchase an ownership interest from an HGV Max authorized sales center and join The Club after launch of HGV Max shall automatically receive HGV Max Benefits.
- Additional Purchase: Existing Members of The Club who make a new purchase of points (minimum purchase required) at an HGV Max authorized sales center after the launch of HGV Max shall automatically receive HGV Max Benefits for their new points and their existing points.

1.5 Primary Member-Only Reservation Resorts

The Club has affiliated with certain resorts that are only available for Primary Members to book. The resorts that permit Primary Member-Only Reservations may not be booked by Associate Members or guests of Members. Each resort with Primary Member-Only reservations is subject to booking restrictions, qualifications and/or cancellation and removal from The Club.

1.6 Member Benefits

In addition to resorts, The Club offers a global array of Member Benefits, discounts, offers and promotions that allow you to exchange points for a wide variety of products and travel services. Please refer to the Member Area at theclub.hiltongrandvacations.com or Member Benefits (Section 12) of this directory. All benefits are ancillary to your accommodation usage rights and are subject to change and/or cancellation without notice.

1.7 The Club Fee And Management Charges

1.7.1 Property and Service Fees

The Management Charge relates to your obligation for the maintenance, refurbishment and operation of the resorts within the Collection of which you are a Member. The Management Charge is based on the number of points you own.

The Management Charge relating to the Collections is made up of two parts:

- A Collection base fee that all Members pay regardless of the number of points they own
- A Collection per-point fee

Any Member who owns a week(s) that is enrolled in The Club will be responsible for payment of the Management Charges on the week(s) and also for The Club Fee for HGV Max Benefits.

1.7.2 The Club Fee

Members of The Club must also pay an annual The Club Fee to cover the services required to operate The Club, including management, Member Benefits, web services, Member publications and collateral materials. The amount of The Club Fee will be determined by The Club each year and may vary by Collection, membership class and/or loyalty tier. For European Collection Members, The Club Fee with HGV Max Benefits is subject to increase each year. Any increase is subject to a maximum annual increase of 7%.

For 2026, The Club Fee with HGV Max Benefits is £266/€312.

1.7.3 Paying The Club Fee and Management Charges

Members of the European Collection who have a The Club membership and are HGV Max Members will be charged an annual fee for their membership as detailed above.

When you receive your invoice or application for payment, your online account will be updated to show the amount outstanding and when it is due. Your account history is located in the Member Area under My Ownership. You may apply online for direct debit or pay via credit or debit card. Any deposit previously made towards next year's bookings will be deducted from the balance due. Any overpayment of fees and dues will be credited to the following year.

1.7.4 Nonpayment of The Club Fee and Management Charges

If the Management Charges on your Points or week(s) and The Club Fee with HGV Max Benefits are not paid by the due date on the invoice, then membership rights will be suspended until payment is made and any reservations are subject to cancellation.

You must pay all outstanding Management Charges and The Club Fee in full before you can make a new reservation. Default, recovery and/or interest charges may be added to your account for non-payment of Management Charges.

1.7.5 Late Charges

If Management Charges and The Club Fee with HGV Max Benefits have not been received by the due date, then late charges will apply. The invoice and/or accompanying letter will advise how much these charges will be. Failure to pay on all Management Charges and The Club Fee with HGV Max Benefits in arrears may lead to the cancellation of your membership.

1.7.6 Payment of Management Charge for Next Year

If a booking is made for the following year, then a prepayment amount for your Management Charge may be requested prior to the booking being made. The remainder due will be invoiced at the usual billing time; this must then be paid by the due date on the invoice/application to ensure the reservation is not cancelled. Should the following year's Management Charge be less than what has already been paid for the reservation, then the account will show a credit.

2. HOW YOUR MEMBERSHIP WORKS IN THE CLUB

2.1 Primary Member

Each membership must have a designated Primary Member who will receive communications and invoices.

2.2 Associate Member

Associate Members are nominated by the Primary Member and are usually family members and/or close friends. They can make a booking either on the Primary Member's behalf or for themselves

using the Primary Member's points. An Associate Member will not have access to the Primary Member's information and is not financially responsible for the membership. To make a booking, however, all financial aspects of the membership must be in good standing. An Associate Member form with the Associate's details must be completed, signed by all parties, and returned to the office listed on the form. Associate Members cannot check in at a resort with Member-Only Reservations and are ineligible to redeem points for Member Benefits.

2.3 Membership Renewal

Your membership in The Club is renewed automatically on 1 January of each year, dependent on the timely payment of your The Club Fee with HGV Max Benefits and Management Charges. This keeps your membership current and allows you to make reservations, save points, and use the Member Benefits available to you.

2.4 Membership Disputes

In the event of a dispute between Members of the same membership, the decision of the designated Primary Member shall be final.

2.5 Keeping Your Contact Information Current

Please keep your contact information (home address, telephone numbers and email addresses) updated. You can make changes online in the Member Area at theclub.hiltongrandvacations.com by selecting Member Dashboard > Edit Profile > Account Information and updating any items necessary, or by contacting Member Services.

Please notify Member Services if your name changes. Some changes to your membership may incur administrative charges, and you will be advised of the charges at that time.

2.6 Suspension of Your Membership in The Club

Suspension is the temporary withdrawal of membership rights, such as the right to make reservations or use the features and/or benefits of your membership. There are a number of reasons why a membership may be suspended and may include, but are not limited to, any one or a combination of the following:

- Conduct unbecoming of a Member
- Breach of the rules and regulations, including untimely payment or nonpayment of dues, late penalty charges and any other charges that may be levied, together with the untimely payment or nonpayment of a loan or finance arrangement with us
- Unavailability of the week/accommodation which a Member has enrolled into The Club, if applicable
- Unacceptable transfer, selling or renting of accommodation for commercial purposes

During suspension, you cannot make new reservations, and any confirmed reservations are subject to cancellation. All membership fees including Management Charges and The Club Fee with HGV Max Benefits are required to be paid and the account maintained current during any suspension period.

If membership is suspended for nonpayment of Management Charges and The Club Fee with HGV Max Benefits, late penalty charges will continue to accrue until payment of all money due is made in full.

2.7 Termination of Your Membership in The Club

Termination may also be the ultimate action taken against a Member who has been suspended, in circumstances where the Member fails to refrain from inappropriate conduct or to remedy the breach following suspension.

Termination of a membership is deemed as the complete withdrawal of membership rights on a permanent basis.

3. THE CLUB POINTS ALLOCATION

Each year on 1 January (as long as your Management Charges and The Club Fee are current), your membership is updated

with your annual allocation of points, which you can use to make reservations.

- If you will not be using all of your points in that current year, you can save them in accordance with the saving points policy found in Section 5.1.
- If you need more points in the current year, you can borrow points up to the annual allocation from the next year, upon payment of a deposit (see Section 5.2).
- If you had points saved from the previous year, they were added to the current annual allocation for use within that year and cannot be saved for a second year.
- If you borrowed points last year, they were deducted from the current annual allocation.
- View your current year number of points at theclub.hiltongrandvacations.com.
- You can only use your points if your annual Management Charges and The Club Fee with HGV Max Benefits are paid in full.

For those Members who enroll a week(s) into The Club, you will receive an annual allocation of Points to use in The Club for your week(s). Each year during your membership in The Club, your week(s) will be automatically reserved for you using your points allocation. You can then choose to use your week(s) or request to cancel the reservation for your week(s) and receive the allocation of points. If you cancel the automatic reservation for your week(s) and receive your allocation of points then you can redeem your points for occupancy rights in accommodations on a worldwide basis in resorts participating in The Club including resorts available through HGV Max. All accommodations are subject to availability and are contingent upon payment by you of the annual The Club Fee with HGV Max Benefits and the Management Charges on your week(s) throughout the term of your enrolment in The Club.

3.1 European Collection End Date

When you purchase points, you are purchasing a beneficial interest within the European Collection. The European Collection ends in 2054.

4. THE CLUB POINTS VALUES

4.1 Weekly Resort The Club Points Values

All accommodation types at resorts in The Club portfolio have been assigned a points value for each week in the calendar. This value is determined by the location and facilities at the resort, the season and week number, check-in day, accommodation size and accommodation facilities. The number of points needed to make a reservation are listed in The Club Points Values beginning on page 22 of this directory and also in the HGV Max Resorts Points Tables.

4.2 Changes In The Club Points Values

While there may be points value variations to adjust for annual changes in seasons, check-in days, public holidays and special events, the total points value over the course of a year for standard check-in days will not increase for the resorts in the Collections, excluding the resorts available through HGV Max.

The only exception to changing points values may be where an affiliate or inventory at a Primary Member-Only inventory Reservations Resort undergoes refurbishment or structural changes that warrant the points values to be re-evaluated and amended accordingly. This change may be to raise or lower values and may be adjusted without notification. In the event that such an adjustment occurs, all existing reservations will be accepted at the points values applicable at the time of booking.

5. MANAGING YOUR POINTS

5.1 Saving Points Deadlines

If you do not intend to use all or part of your current year's allocated points within the current year, you can save up to 100% of points into the following year's allocation, as long as your Management Charges and The Club Fee with HGV Max Benefits are paid in full, and subject to payment of the applicable administration charge. The deadlines are:

	Member	Preferred	Preferred+	Premier	Premier+	Centum+

5.1.1 How to Save Points

Go to theclub.hiltongrandvacations.com and log in to your account or call Member Services to save Points. Saved points may be accessed during the current year.

Reservations made with points from the current year's allocation for arrival in the year after the points were allocated may require a deposit payment on the Management Charges.

5.2 Borrowing Points

If you need more points for a reservation than you have available in your current year's allocation, you can borrow up to the annual allocation of points from next year's allocation by paying a deposit equal to 75% of the current year's Management Charges. This amount will then be deducted from next year's Management Charge invoice. You can only borrow from next year's allocation of points and not from any year beyond that. You can borrow points that have previously been saved from the current year's allocation without a deposit, although an administrative fee may be charged.

Once points have been borrowed, they will expire in the year in which they were borrowed unless they are used. They cannot be saved for use in the following year.

5.2.1 How to Borrow Points

When you make a reservation through your account online, the system will allow you to borrow points if you do not have enough remaining in the current year; however, a deposit may be required at the time of booking. An agent in Member Services is available to assist if reservations are made by phone, and this deposit will be collected as part of the online booking process for online reservations.

5.3 The Club Flexibility

Are you in need of more points to complete your reservation but do not want to borrow points from your following year's allocation? You can take advantage of The Club Flexibility. This option gives you the flexibility to purchase one-time use points to be applied towards your reservation.

- Standard Members pay £0.32/€0.36 per point
- Preferred Members pay £0.32/€0.36 per point
- Preferred+ Members pay £0.27/€0.31 per point
- Premier Members pay £0.26/€0.30 per point
- Premier+ Members pay £0.23/€0.26 per point
- Centum+ Members pay £0.22/€0.25 per point

5.4 The Club Value

Preferred, Preferred+, Premier, Premier+ and Centum+ Members may purchase one-time-use points at an advantageous rate to complete a reservation during the applicable window:

- Preferred and Preferred+ Members pay £0.15/€0.18 per point on non-discounted reservations when booking within 14 days of arrival.
- Premier Members pay £0.15/€0.18 per point on non-discounted reservations when booking within 30 days of arrival.
- Premier+ Members pay £0.14/€0.16 per point on non-discounted reservations when booking within 30 days of arrival.
- Centum+ Members pay £0.13/€0.15 per point on non-discounted reservations when booking within 30 days of arrival.

5.5 Selling Your European Collection Membership and Points

There are rules for selling and transferring European Collection memberships and points. Points (and The Club membership) can be directly transferred by the Member to their spouse, sibling, child or parent. Members can sell their points privately on the open

market to an existing European Collection Member provided that no unauthorised resale company is involved. Alternatively, third-party resale intermediaries have been appointed by HGV Europe and are authorised to arrange sales of points to both Members and non-Members. Please contact the Owner Operations department for details on the current procedure for transfers.

NOTE: Resale points or points that are sold privately or through a reseller will have restricted use (i.e., they cannot be exchanged for use in The Club and cannot be redeemed for Member Benefits and do not count towards loyalty tiers).

5.6 Gifting Points

You are free to gift points to your spouse, siblings, parents or children. Points may also be gifted to a beneficiary in the event of death (either under the terms of a will or in accordance with the applicable inheritance rules). Please note that your beneficiary is not required to accept the points and membership. If they disclaim the membership, the membership will terminate.

6. RESERVATION PERIODS/ BOOKING WINDOWS

6.1 Members With Home Collection Priority

Most Members have a Home Collection Priority. As a European Collection Member, you have a Home Collection Priority in the European Collection. This means you can book into the European Collection resorts starting 13 months prior to your planned arrival date. At 10 months prior to arrival, all resorts within The Club portfolio excluding resorts available through HGV Max become available to all Members for booking, subject to availability.

If you have points in more than one Collection, then the rules for each Collection apply to the appropriate points allocation (i.e., you will only be able to use all of your points together to make a reservation at 10 months prior to arrival and not any earlier).

6.2 Members With Home Resort Priority

Some Members also have a Home Resort Priority. This means that when they purchased Collection points, they owned a fixed or floating week at a resort (their home resort). These Members can confirm a reservation at their home resort as early as 12 months prior to arrival.

If these Members do not confirm a reservation at their home resort 10 months prior to their check-in date, the assigned week is made available to other Members of The Club. These Members also have the option to book at any time from 13 months prior to their planned arrival date into their Home Collection, and then at 10 months at any other resort in The Club portfolio (i.e., across all the Collections and at affiliate resorts).

6.3 HGV Max Reservations

At seven months prior to the desired check-out date, HGV Max Members may use Points to request an exchange at any resort available within HGV Max booking window.

HGV Max Reservations may only be used by the Member and their guests and may not be exchanged, rented, transferred or sold. HGV Max Reservations may be changed without penalty, provided the change is made sixty-one (61) or more days prior to check-in and travel commences in the same calendar year. Reservations made sixty (60) days or less from the scheduled arrival date may not be changed and are subject to the cancellation policy listed below.

- 31 days or more prior to arrival date: no penalty
- 16–30 days prior to arrival date: forfeiture of 50% of points used
- 0–15 days prior to arrival date: forfeiture of 100% of points used

6.4 Booking Windows

Reservation booking windows are as follows:

- From 13 months, Members can confirm a reservation at any resort in their Home Collection.
- From 12 months, Members can book into their home resort (where applicable).

- From 10 months, Members can book into ANY available resort in The Club, excluding resorts available through HGV Max.

From 7 months in advance of check-out date, Members can book into the resorts available only to Members of The Club with HGV Max Benefits. Select resorts are not available until 60–90 days before check-out.

6.5 Extended Booking Windows

This benefit, exclusive to Centum+ and Premier+ Members of The Club, provides an extended 30-day booking window for select Developer Inventory* in certain resorts. You can book 14 months in advance in certain resorts in your Home Collection, or 11 months in advance in certain resorts at other Collections.

*The Developer owns certain inventory at many of the Collection resorts that is not part of a Collection. This inventory varies over time, by resort and by season. The Developer makes no guarantees regarding the amount, location or type of Developer Inventory available through this benefit. For a complete and up-to-date list of Developer Inventory available to Premier+ and Centum+ Members for advance booking, please visit the Member Area > My Reservations > Online Reservations > Basic Search. Access to Developer Inventory is subject to change without notice and in the sole discretion of the Developer.

6.6 Open Season Program

This benefit provides HGV Max Members with an Open Season Booking Window that offers last-minute availability at select resorts for a cash rate, starting 30 days before check-out. For the full terms and conditions, please visit the Club website.

7. RESERVATION PROCEDURES

7.1 Making a Reservation

Reservations can be made up to a maximum of 10–14 months before the arrival date, depending on membership rights (see Section 6). You can make as many reservations as you wish, up to the value of the points available to you, as long as all Club dues and Management Charges are current.

If you are restricted from travelling during peak seasons where demand is high, such as on public holidays and over school breaks, and you know your travel dates, then we suggest you confirm the booking request as far in advance as possible, particularly if you require larger-size accommodation (e.g., two- and three-bedroom), as demand during these times is typically very high. All reservations are made on a first-come, first-served basis and are subject to availability.

Upon confirmation of a booking, you will be advised if there may be any additional charges during your stay.

7.1.1 Determine how many points are required

The points values for all of the resorts are listed in the table starting on page 22 of this book and in the HGV Max Resorts Points Tables. To establish how many points are required:

- Determine the preferred dates of travel.
- Check the proposed travel dates against the Weeks Calendar for the year of travel to determine the week number.
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number.
- The Directory will indicate the number of points required for a 7-night stay when checking in on a standard check-in day.

7.1.2 Searching for availability and booking your reservation

Book your stay quickly and easily online at hiltongrandvacations.com. To book your stay online, log in to the Member Area and go to Reservations > Online Reservations and choose the right search option for your needs. You can search by location, experience, specific arrival date, date range or points range. Once your preferences are entered, select Search (or Find) to display your options. You can choose to have your results displayed as a list or on a calendar. You can view prices in points, currency or points plus currency. Select the option you would like to book, and follow the steps to confirmation.

When searching availability using one of the three Finder tools, your FAVOURITE places or WISHLIST places can display as top choices on the search engine. You can do this by tagging the

places you love from the Member Area. Just select Locations, find a resort, hotel or cruise that you frequent or would like to visit, and tag accordingly. FAVOURITE places are denoted by a heart ♥ and WISHLIST places are denoted by a star ★.

Use the Destination Finder Feature to quickly search for availability worldwide by specifying the number of nights you wish to stay, number of occupants and accommodation type.

7.1.3 Valued Getaways

Valued Getaways makes finding affordable vacations easy. Find all in one place: reasonably priced 7-night stays for availability in The Club.

7.1.4 Loyalty search requests

We will do the searching for you! HGV Max Members may set up an automated search either online or with a dedicated Member Services representative for a resort or region, date or date range, number of nights, and any accommodation size or type, up to 9 months prior to arrival.

It's easy to use. If your desired availability is not found, you will automatically be given the option of placing an ongoing search.

- Preferred Members may set up one (1) active search.
- Preferred+ Members may set up one (1) active search.
- Premier Members may set up three (3) active searches.
- Premier+ Members may set up five (5) active searches.
- Centum+ Members may set up seven (7) active searches.

7.2 The Points Values

7.2.1 Weekly points values

Weekly points values, as shown in the Points Values section of this directory and in the HGV Max Resorts Points Tables, are valid when checking in on the designated check-in day, which is stated on each resort points table. If you stay for durations other than seven nights or check in on a day other than the designated check-in day, the nightly values apply.

7.2.2 Variable points values

When booking Club-affiliated hotels, the points are shown as "starting at" with a nightly points rate.

7.2.3 Nightly, midweek and weekend points values

Reservations with a duration of less than seven nights are available at certain resorts. This also applies to additional nights booked following a standard weekly reservation.

The points calculation for a stay of less than seven nights is as follows:

- For reservations starting on or after 1 January 2026: Sunday to Wednesday inclusive; each night is 10% of the weekly points value.
- For reservations starting on or after 1 January 2026: Thursday to Saturday nights; each night is 20% of the weekly points value.

Reservations made at selected resorts for arrival on a non-standard check-in day are calculated at short-stay points values as noted above.

Any exceptions to this rule are indicated on the chart for the specific resort in this Directory and in the HGV Max Resorts Points Tables. Current minimum stay for reservations with The Club is two nights, unless otherwise noted. Remember, you can always use your The Club Flexibility benefit if you need additional points to complete your booking.

7.3 Reservations Less Than 59 Days From Arrival

For certain resorts, if there is availability less than 59 days prior to arrival, the standard check-in day weekly points values are discounted by 50%. These reservations are subject to availability; however, they offer exceptional value for those with flexible travel plans and are offered on a first-come, first-served basis.

7.4 Reservations for the Following Year

If you are booking a reservation for the following year, then a deposit may need to be paid prior to the booking being confirmed. The remainder of the fees due will be invoiced at the usual billing

time and must be paid by the due date on the invoice to ensure your reservation is not cancelled.

7.5 Special Points Offers

The Club may offer additional points discounts to Members to ensure optimum usage of a resort. These will be promoted in various ways, including but not limited to, on hiltongrandvacations.com and by email. To ensure you are receiving every value-packed offer available to you, please keep your contact preferences current.

7.6 Booking Accessible Accommodations

Reservations for accessible accommodation can be made by Members with mobility requirements by calling the Access Requirements team. This team has access to book the accessible accommodation in our resorts at the time of the call. If the resort requested is an affiliate, the Team Member will confirm if the resort offers the accommodation needed and ensure that the resort is made aware of the request. We are not able to guarantee or confirm accessibility will be fulfilled at the affiliate resort, so the agent will contact the Member to offer assistance for alternative accommodation, if required.

If you have any access requirements or needs you wish us to be aware of, or if you want assistance in locating a resort that can provide comfortable accommodation for your needs, please contact us at your earliest convenience. Accessible units are available on a first-come, first-served basis and are subject to availability.

- If you are travelling to North American or Asian resorts, please call **001-888-250-6150**.
- If you are travelling to European, Australian or African resorts, please call **0345 359 0009** or email AccessRequirementsEU@hgv.com.

Accessible accommodation choices cannot be confirmed via online booking; however, requests can be made at the time of booking.

If accessible accommodations are not booked prior to 45 days before the arrival date, they will be released for general reservations.

7.7 Updating Accessibility Preferences

Please let us know of any accessibility requirements you have prior to your arrival at the resort.

You can have your account flagged with details of which you would like us to be aware. You can update your accessibility profile online in Member Dashboard > Edit Profile > Account Information > Accessibility. Tell your reservationist if booking by phone.

Each of our resorts has its own Accessibility page at hiltongrandvacations.com that offers details about the resort including the surrounding terrain, grounds, accessibility of common areas and any aids available on request, such as shower chairs or toilet risers.

7.8 Third-Party Reservations

As a Member, you may make a reservation in your name and pass it on to family and friends for their personal use subject to obtaining a Guest Certificate. However, you are not allowed to make a reservation in your name and exchange it with anyone other than our appointed exchange company, Interval International (II). Reservations found to be made available to third parties other than with a valid Guest Certificate or through an II exchange will be cancelled, and the points used will be forfeited. This could also result in a suspension of your membership.

7.9 Reservations Made for Commercial Gain

While it is open to Members to rent out their accommodation if they wish, reservations transferred to third-party companies for commercial usage are prohibited. Advertising online or otherwise for such rental opportunities is likewise prohibited. If such practices are discovered, The Club reserves the right to cancel those bookings and may suspend and/or terminate your membership.

8. RESERVATIONS FOR YOUR GUESTS

8.1 Requesting a Guest Stay

You can make reservations for your family or friends without staying with them by advising Member Services that a guest, with your authorization, will be occupying the booked accommodation. A Guest Certificate will then be issued in the form of a confirmation email or letter in their name. The first Guest Certificate following the annual points allocation will be free and additional complimentary certificates may be offered, dependent on your HGV Max tier. All subsequent Guest Certificates for the remainder of the use year will require a fee per Guest Certificate, payable by credit or debit card upon booking. Only Primary Members may check in at a resort with Primary Member-Only Reservations.

Guest Certificates are £69/€79 per reservation if purchased online at the time of booking; £76/€88 in the contact center.

- Members receive one (1) complimentary Guest reservation per year.
- Preferred Members receive two (2) complimentary Guest reservations per year.
- Preferred+ Members receive three (3) complimentary Guest reservations per year.
- Premier Members receive four (4) complimentary Guest reservations per year.
- Premier+ Members receive five (5) complimentary Guest reservations per year.
- Centum+ Members receive six (6) complimentary Guest reservations per year.

8.2 Guest Certificate Rules

A guest is defined as anyone who checks in who is not the Primary or Associate Member. If a guest does not present a Guest Certificate or confirmation in his or her name at the time of arrival, then the resort may not be able to complete the check-in.

8.3 Guest Responsibilities

Guests must comply with all rules and regulations governing The Club and the resort during their stay. Members ultimately take full responsibility for any infractions of the resort rules and will be responsible for payment of any expenses incurred or not settled by guests during their stay, as well as the cost of any damage caused by the guests.

A guest may bring additional people to stay, but the total number of guests must not exceed the maximum occupancy of the accommodation.

9. CANCELLING RESERVATIONS

9.1 For The Club Resorts (excluding HGV Max Resorts)

Depending on the notification period, cancellation of a reservation will mean a loss of points calculated as a percentage of the points used.

Notification of cancellation percentage loss of points:

- 31 days or more prior to arrival date: No penalty
- 16-30 days prior to arrival date: Forfeiture of 50% of points used
- 0-15 days prior to arrival date: Forfeiture of 100% of points used

If you need to cancel a confirmed reservation, contact Member Services as soon as possible, or cancel online in the Member Area in Confirmed Reservations under Reservations. Please note there are different cancellation penalties related to canceling a reservation at a resort available through HGV Max — see point 6.3 above.

If you cancel a reservation, you may not re-book a similar reservation as a late availability reservation (see Section 7) or any other discounted points booking. Members are encouraged to purchase a Reservation Protection Plan (RPP) at the time of booking. This will ensure 100% reimbursement of the points charged for the booking should they need to cancel for any reason up to 1 day prior to arrival (except in the case of a reservation using Value points, where cash will be returned).

9.2 Points Returned Due to Cancellations

Points that have been returned as part of a cancellation can be saved for the following year, as long as they have not been saved from a prior year and were not borrowed points from the following year. Saving points deadlines still apply.

9.3 Club Operating Company Cancellations

The Club may have to cancel reservations in certain circumstances, such as in the instance of a natural disaster, when a resort ceases to be part of The Club portfolio, or if a resort becomes unsuitable for use. In these unusual instances, The Club will give as much notice as possible and will offer alternative arrangements.

10. RESORT CHECK-IN

10.1 In-Resort Rules

Each occupant of the accommodation must comply with the rules of that resort and The Club at all times. No Member or Guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodation other than where The Club and/or resort rules allow, such as in the case of service animals.

10.2 Check-In After the Planned Arrival Date

If Members are not intending to check-in at the resort on the originally booked date of arrival, or their plans change and they are unable to arrive as previously scheduled, they must contact the resort Front Desk/Reception 24 hours prior to the original arrival date and advise when they will be arriving. Failure to do so may result in the cancellation of the booking and the possibility that there may be no availability when the Member arrives.

10.3 Non-Arrival

If Members do not cancel a reservation and do not use their reservation, then they forfeit the points used for that booking and may be charged a no-show fee.

13. TRAVEL-RELATED MEMBER BENEFITS

13.1 Lyft Pass

Eligible HGV Max Members with Premier+ or Centum+ status have the option to receive an annual credit for Lyft via the Lyft Pass program. Premier+ Members receive a \$250 credit, while Centum+ Members receive a \$350 credit to use for transportation between local airports and eligible Hilton Grand Vacations-affiliated resorts within the United States.

To take advantage of this benefit, Members must first opt in on The Club website at theclub.hiltongrandvacations.com/benefits/lyftpassinfo. You'll also be able to view a list of eligible airports and properties and review program Terms and Conditions here.

After you've opted in, Lyft will send you an email that invites you to accept participation prior to receiving the Lyft Pass credit in your account. Once the credit has been applied, Lyft Pass will automatically detect qualifying rides. You'll also be able to connect your Hilton Honors account to your Lyft account.

To verify whether you're already signed up to receive a Lyft Pass credit, go to the Lyft app and check the payment section of your account.

13.2 Instant and Enhanced Redemption

13.2.1 Instant Redemption

Book your travel and immediately redeem your Points towards travel services outside of our network and more.

Use your Points for travel services with instant redemption towards a portion of the cost when booking your travel through our Hilton Grand Vacations travel provider.

You will pay for your travel services bookings in cash, and points are instantly deducted from the total cost of the booking.

The Club Points redemption maximum cap is based on your membership loyalty level. A travel redemption processing fee is payable at the time of exchange.

Travel services with the instant redemption option allow you to instantly redeem points towards a portion of the cost when booked through our authorized travel provider. You may book cruises, car rentals, guided vacations and things to do, and immediately redeem points to cover a percentage of your travel according to your membership level.

Reimbursement options: Redeem your points within the Member Benefits redemption window for your membership level and receive a reimbursement.

How It Works:

- Book your travel through your preferred provider.
- Submit your reimbursement request by emailing pointsfortravel@hgv.com and follow the steps in the automated email within your membership level's redemption window.
- The Member must be part of the traveling party and named on the receipt.

- Travel must be paid in full by the Member, and a payment receipt must be provided.
- The reimbursement amount will be reduced by the amount of the Member Benefits processing fee. This fee is complimentary for Premier, Premier+ and Centum+ Members.
- Preferred payment process will be by bank transfer, and the reimbursement amount will be reduced by the applicable Member Benefits processing fee (waived for Premier, Premier+ and Centum+ Members); reimbursement will be made no later than 45 days after points have been processed.
- After 30th June, points can only be redeemed from the following year's allocation by borrowing points from the following calendar year. A deposit will be required from you if you want to redeem points from the following use year.
- Flights and Travel redemption benefits cannot be combined with any other programme, including but not limited to Luxury Cruises.
- If you pay your management fees via direct debit, the reimbursement will not be issued until the total claim amount has been fully covered by your initial deposit plus monthly fee payments.

For a list of the eligible travel products included, please refer to the website.

HGV Max Members may enroll in the Hilton Honors program through which, on an every-other-year basis, HGV Max Members may convert any or all of the next year's allotment of Points into Hilton Honors Points at the then-current ratio for a fee. Certain HGV Max Members have the option to convert The Club

Points into Hilton Honors Points on an annual basis. The conversion ratio is based on the Member's HGV Max tier status. As of publication of this guide, the ratios are:

- Member, Preferred, Preferred+: one Point for 20 Hilton Honors Points
- Premier, Premier+: one Point for 24 Hilton Honors Points
- Centum+: one Point for 32 Hilton Honors Points

For example, an HGV Max Member at the Preferred tier could convert 5,000 Points into 100,000 Hilton Honors Points. Points will be deposited into the Member's Hilton Honors account the first week of January of the following year.

Conversion rates are subject to change without notice.

A conversion fee applies. Once Points are converted to Hilton Honors Points, the transaction is final and Hilton Honors Points may not be converted back to Points. Converted Points are then subject to the Hilton Honors Program Terms and Conditions and all transactions using Hilton Honors Points must be made by contacting Hilton Honors Reservations. Please refer to the Hilton Honors Program Terms and Conditions for further details governing the Hilton Honors program.

If a Member sells or transfers their timeshare interest and their membership terminates, any Hilton Honors privileges, including tier status, granted solely in connection with HGV Max membership shall automatically expire. One upgraded Hilton Honors account may be established per Member account.

Cancellation policy: nonrefundable and non-changeable. 100% loss of points and processing fee should a Member cancel the Experience Days voucher. Members do not need to decide which experience they want to book initially; this is done upon receipt of the voucher pack sent via email, which is dispatched within five working days of an order being placed. You must take your experience before the expiry date on your voucher. Vouchers are valid for 12 months from the date of issue. These experiences are currently available and in effect immediately, replacing any other offerings. We retain the unilateral right to cancel or amend this programme at any time. This does not affect your statutory rights. Note: You can only select among the experiences listed within your chosen voucher package. The redemption value of points as quoted is valid until 31 December and then is subject to review. Points may be redeemed for this benefit any time during the usage year. After 1 July, points can only be redeemed from the following year's allocation by borrowing points from the following calendar year. A deposit will be required from you if you want to redeem points from the following use year. You may not use saved points from a previous year for this programme.

17.5 Community Initiatives

Go Green

We are actively taking steps to be an environmentally conscious, sustainable global organisation that recognises how our actions affect the lives of our Members, Owners and Guests, our communities and, ultimately, our planet. When visiting our properties, we ask that you:

Save Electricity

Switch off unnecessary lights, air-conditioning and other electrical appliances.

Save Water

By showering, you use half as much water as a bath. Do not use the toilet as a wastepaper bin and do not leave the water running while shaving, brushing your teeth or washing up.

Protect Nature

Do not leave litter. Paper, metal and plastic are harmful to nature and do not biodegrade.

Recycle

Please help us keep our resorts environmentally friendly by depositing separated rubbish in the designated areas. We appreciate your help in keeping our resorts clean and protecting the environment by reducing, reusing and recycling. Together, we can truly make a difference.

17.6 Sustainable Gardens

In order to become more environmentally conscious, many of our resorts are growing their own sustainable gardens featuring a variety of herbs, fresh fruits and vegetables. Each garden boasts unique features and hosts an array of fresh produce native to the area while specific to the cultural cuisine and restaurant offerings. In addition to cooking benefits for the restaurants, the gardens have also proven useful as an educational tool for Guests and children, as they are allowed to tour the gardens, pick fresh ingredients, and participate in cooking demos.
