# 1. HOW THE CLUB WORKS

## 1.1 Resorts and Collections

Diamond owned and managed resorts have been allocated into five groupings that we call Collections. The Collections have been created to ensure the facilities included in each one will be available for use by their respective members and by members of The Club. This arrangement also ensures that the resorts within a Collection remain available to the members of that Collection; whereas resorts that are part of The Club can change. While Cabo Azul Resort consists of only one resort, for illustrative purposes of this guide, it is considered a Collection.

The five Collections are named below, and the resorts that are currently within each are listed in the governing documents for each of the Collections:

- U.S. Collection
- Hawaii Collection
- California Collection
- European Collection
- Cabo Azul Resort

A member's purchase documentation will clearly show into which Collection the member purchased and the resorts within that Collection at the time of purchase.

For owners who have dedicated their fixed or floating week usage rights to The Club in exchange for points, their documentation will show from which resort they originally purchased and, in certain circumstances, the Collection from which their points are allocated.

A company cannot purchase a Collection membership, but once a Collection membership is purchased by an individual, it may be placed by a member in a family or living trust or transferred to a company. (The transfer may be subject to a transfer fee.)

## 1.2 Affiliated Resorts

In addition to the resorts within each Collection, The Club has affiliations with many other resorts which expand the portfolio of destinations at which you can stay when using points. These resorts may not have the Diamond Resorts brand standards and amenities you may expect, but they are monitored to ensure they meet Diamond's standards of quality and service. Each affiliated resort is subject to cancellation and removal from The Club, and new affiliated resorts can be added at any time.

## 1.3 Primary Member-Only Reservation Resorts

The Club has affiliated with certain resorts which are only available for Primary Members to book. The resorts that permit Primary Member-Only Reservations may not be booked by Associate Members or guests of members. Each resort with Primary Member-Only Reservations are subject booking restrictions, qualifications and/or cancellation and removal from The Club.

## 1.4 Member Benefits

In addition to resorts, The Club offers a global array of member benefits, discounts, offers and promotions that allow you to exchange points for a wide variety of products and travel services. Please refer to the Member Area at [DiamondResorts.com](http://DiamondResorts.com) or Section 12 of this directory. All benefits are ancillary and are subject to change and/or cancellation without notice.

## 1.5 The Club Fees and Dues

### 1.5.1 Property and Service Fees

Property and service fees relate to your obligation for the maintenance, refurbishment and operation of the resorts within the Collection of which you are a member. These fees are based on the number of points you own.

The property and service fees relating to the Collections are made up of two parts:

- A Collection base fee that all members pay regardless of the number of points they own
- A Collection per point fee

For those with traditional deeded/fixed ownership, the property and service fees are invoiced separately by their respective resorts. Collection base fees and per point fees may vary among Collections.

### 1.5.2 The Club Dues

Members of The Club are also assessed annual dues to cover the services required to operate The Club, including management, member benefits, web services, member publications and collateral materials. The amount of The Club dues will be determined by The Club each year, and may vary by Collection, membership class and/or loyalty tier. The Club dues may be billed on a set per-member class or loyalty tier basis, a per point owned basis, a combination of these or another method established by The Club.

### 1.5.3 Paying Fees and Dues

When you receive your invoice or application for payment, your online account will be updated to show the amount outstanding and when it is due. Your account history is located in the Member Area under My Account/Payments. You may pay online by electronic check/direct debit, credit card or debit card, 24 hours a day, by following the instructions on the website. You may also use the automated function by calling Member Services, selecting the option to pay dues and entering your membership number, credit card number and the amount to be applied. Any deposit made toward next year's bookings will be deducted from the balance due. Any overpayment of fees and dues will be credited to the following year.

### 1.5.4 Non-payment of Fees and Dues

If fees and dues are not paid by the due date on the invoice, then membership rights will be suspended until payment is made and any reservations are subject to cancellation.

You must pay all fees and dues in full before you can make a new reservation. Default, recovery and interest charges may be added to your account for non-payment of dues and fees.

### 1.5.5 Late Charges

If fees and dues have not been received by the due date, then late charges will apply. The invoice and/or accompanying letter will advise how much these charges will be. Failure to pay all fees and dues in arrears may lead to the cancellation of your membership, pursuant to the Assessment, Billing and Collection Policy established by your vacation owners' association.

### 1.5.6 Payment of Fees and Dues for Next Year

If a booking is made for the following year, then a prepayment amount for your dues and fees may be requested prior to the booking being made. The remainder due will be invoiced at the usual billing time; this must then be paid by the due date on the invoice/application for payment to ensure the reservation is not canceled. Should the following year's dues be less than what has already been paid for the reservation, then the account will show a credit.

## 2. HOW YOUR MEMBERSHIP WORKS

### 2.1 Primary Member

Each membership must have a designated primary member who will receive communications and invoices.

### 2.2 Associate Member

Associate members are nominated by the primary member and are usually family members and/or close friends. They can make a booking either on the primary member's behalf or for themselves using the primary member's points. An associate member will not have access to the primary member's information and is not financially responsible for the membership. However, to make a booking all financial aspects of the membership must be in good standing. An associate member form with the associate's details must be completed, signed by all parties and returned to the Diamond Resorts office listed on the form. Associate members cannot check-in at a Primary Member-Only Reservations Resort and are ineligible to redeem points for Membe Benefits.

### 2.3 Membership Renewal

Your membership is renewed automatically on January 1 of each year, dependent on the timely payment of your Club dues. This keeps your membership current and allows you to make reservations, save points and use the member benefits available to you.

### 2.4 Membership Disputes

In the event of a dispute between members of the same membership, the decision of the designated primary member shall be final.

### 2.5 Membership Cards

You will receive your membership card after an initial points purchase. The cards do not have an expiration date. Should you change Diamond Loyalty® levels during the year, you will be sent a new permanent card to reflect your new level. If your card is lost or stolen, please visit the Member Information page in the Member Area at DiamondResorts.com for a one-time replacement.

We are sending new membership card to all members in early 2018. We will no longer send annual membership cards after this time.

#### 2.5.1 Associate Member Cards

You can purchase an associate membership card for any associate member you have authorized to use your account in the Money Matters section of the Member Area at DiamondResorts.com.

### 2.6 Keeping Your Contact Information Current

Please keep your contact information (home address, telephone numbers and email addresses) updated. You can make changes online in the Member Area at DiamondResorts.com by choosing Preferences in the My Account section, or by contacting Member Services.

Please notify Member Services if your name changes. Some changes to your membership may incur administrative charges and you will be advised of the charges at that time.

### 2.7 Suspension of Your Membership

Suspension is the temporary withdrawal of membership rights, such as the right to make reservations or use the features and/or benefits of your membership. There are a number of reasons why a membership may be suspended and may include, but are not limited to, any one or a combination of the following:

- Conduct unbecoming a member
- Breach of the rules and regulations, including untimely or non-payment of dues, late penalty charges and any other

charges that may be levied, together with the untimely or non-payment of a loan or finance arrangement

- Unavailability of the week/accommodation which has been assigned by a member to The Club, if applicable
- Unacceptable transfer, selling or renting of accommodation for commercial purposes

During suspension, you cannot make new reservations and any reservations currently confirmed are subject to cancellation. All account fees and dues are required to be paid and the account maintained current during any suspension period.

If membership is suspended for non-payment of fees and dues, late penalty charges will continue to accrue until payment of all money due is made in full.

### 2.8 Termination of Your Membership

You may have your membership terminated if you elect to withdraw your original fixed or floating week assigned to The Club or it becomes unavailable for use by members of The Club.

Termination may also be the ultimate action taken against a member who has been suspended in circumstances where the member fails to refrain from inappropriate conduct or to remedy the breach following suspension. Under certain circumstances, a member may elect to withdraw from The Club.

Termination will only occur 30 days after the written notification of the proposed termination has been sent to the member. Termination of a membership is deemed as the complete withdrawal of membership rights on a permanent basis.

## 3. POINTS ALLOCATION

Each year on January 1 (as long as your dues are current), your membership is updated with your annual allocation of points, which you can use to make reservations. If you have assigned a fixed or floating week with biennial occupancy to The Club, 50% of the week's value in points will be allocated each year.

- If you will not be using all of your points in that current year, then you can save them by the 'save by' dates found in Section 5.1.
- If you need more points in the current year, then you can borrow points up to the annual allocation from the next year (see Section 5.2).
- If you had points saved from the previous year, they were added to the current annual allocation for use within that year and cannot be saved for a second year.
- If you borrowed points last year, they were deducted from the current annual allocation.
- You can view your current year number of points at DiamondResorts.com.
- You can only use your points if your annual maintenance fees, taxes and/or dues are paid in full.

### 3.1 Term Points vs. Non-expiring (Perpetual) Points

When you purchase points, you are purchasing a beneficial interest within a Collection. Certain members have purchased term points that have a defined end date when they automatically expire or are withdrawn from the timeshare program. For example, all points in the European Collection are term points that end in 2054. Other members have purchased points in perpetuity; they have no defined expiration date. This will be explained during the purchase discussions, and the contract documentation will also indicate what type of points were purchased.

## 4. POINTS VALUES

### 4.1 Weekly Resort Points Values

All accommodation types at resorts in the Diamond portfolio have been assigned a points value for each week in the calendar. This value is determined by the location and facilities at the resort, the season and week number, check-in day, accommodation size and accommodation facilities. The number of points needed to make a reservation are listed in the Diamond Resorts Points Values beginning on page 28 of this directory.

### 4.2 Changes in Points Values

While there may be points value variations to adjust for annual changes in seasons, check-in days, public holidays and special events, the total points value over the course of a year for standard check-in days will not increase.

The only exception to changing points values may be where an affiliate or inventory at a Primary Member-Only Reservation Resort (i.e. a resort that is neither owned nor managed by Diamond Resorts) undergoes refurbishment or structural changes that warrant the points values to be re-evaluated and amended accordingly. This change may be to raise or lower values and may be adjusted without notification. In the event that such an adjustment occurs, all existing reservations will be accepted at the points values applicable at the time of booking.

## 5. MANAGING YOUR POINTS

### 5.1 Saving Points Deadlines

If you do not intend to use all or part of your current year's allocated points within the current year, then you can save points into the following year's allocation, as long as your dues are paid in full. The deadlines by which points must be saved each year are:

- Save up to 100% of the annual allocation of points by June 30.
- Save up to 50% of the annual allocation of points (if 50% has not already been saved) between July 1 and August 31.
- Save up to 25% of the annual allocation of points (if 25% of the allocation has not already been saved) between September 1 and October 31.

#### 5.1.1 How to Save Points

Go to [DiamondResorts.com](http://DiamondResorts.com) and log in to your account or call Member Services to save points. Saved points may be accessed during the current year.

Reservations made with points from the current year's allocation for arrival in the year after the points were allocated will require the arrival year's maintenance fees to be paid in full prior to your arrival or your reservation may be canceled.

### 5.2 Borrowing Points

If you need more points for a reservation than you have available in their current year's allocation, you can borrow up to the annual allocation of points from next year's allocation by paying a deposit equal to 75% of the current year's maintenance fees. This amount will then be deducted from next year's maintenance fee bill. You can only borrow from next year's allocation of points and not from any year beyond that. You can borrow points that have previously been saved from the current year's allocation without a deposit, although an administrative fee may be charged.

Once points have been borrowed they will expire in the year in which they were borrowed unless they are used. They cannot be saved for use in the following year.

#### 5.2.1 How to Borrow Points

When you make a reservation through your account online, the system will allow you to borrow points if you do not have enough remaining in the current year, however, a deposit is required at the time of booking. An agent in Member Services is available to assist if reservations are made by phone and this deposit will be collected as part of the online booking process for online reservations.

### 5.3 Diamond Flexibility

Are you in need of more points to complete your reservation but you do not want to borrow points from your following year's allocation? You can take advantage of Diamond Flexibility. This option gives you the flexibility to purchase one-time use points to be applied toward your reservation.

- Standard members pay \$0.34 per point
- Silver members pay \$0.29 per point
- Gold members pay \$0.26 per point
- Platinum members pay \$0.24 per point

### 5.4 Diamond Value

Silver, Gold and Platinum members may purchase one-time use points at an advantageous rate to complete a reservation during the applicable window:

- Silver members pay \$0.12 per point on non-discounted reservations when booking within 14 days of arrival
- Gold members pay \$0.12 per point on non-discounted reservations when booking within 28 days of arrival
- Platinum members pay \$0.12 per point on non-discounted reservations when booking within 35 days of arrival

### 5.5 Selling Points

You can sell points to another member by private arrangement. Once an agreement has been made, the selling member must contact Member Services to advise of this proposed transaction, at which time the current procedure for transfers will be explained. As soon as all formalities have been completed such as verifying memberships, settlement of outstanding maintenance/management fees and receiving the completed and signed documentation in full along with payment of the respective transfer administration fee, the transfer will be processed.

NOTE: Resale points or points that are sold privately or through a reseller may have restricted use (i.e. they cannot be exchanged for use in The Club and/or redeemed for member benefits).

### 5.6 Gifting Points

You are free to gift points to your spouse, siblings, parents or children. Points may also be gifted to a beneficiary in the event of death (either under the terms of a will or in accordance with the applicable inheritance rules of the Collection). Please note that your beneficiary is not required to accept the membership. In this case, the membership will terminate.

## 6. RESERVATION PERIODS / BOOKING WINDOWS

### 6.1 Members with Home Collection Priority

Most members have a Home Collection Priority. This means you can book into your own Home Collection starting 13 months prior to your planned arrival date. At 10 months prior to arrival, all resorts within The Club portfolio become available to all members for booking, subject to availability.

If you have points in more than one Collection, then the rules for each Collection apply to the appropriate points allocation (i.e. you will only be able to use all of your points together to make a reservation at 10 months prior to arrival and not any earlier).

### 6.2 Members with Home Resort Priority

Some members also have a Home Resort Priority. This means that when they purchased Collection points, they owned a fixed or floating week at a resort (their home resort). These members can confirm a reservation at their home resort 12 months prior to arrival.

If these members do not confirm a reservation at their home resort 10 months prior to their check-in date, the assigned week is made available to other members of The Club. These members also have the option to book at any time from 13 months prior to their planned arrival date into their Home Collection, and then at 10 months at any other resort in The Club portfolio, (i.e. across all the Collections and at affiliate resorts).

### 6.3 Booking Windows

Reservation booking windows are as follows:

- From 13 months members can confirm a reservation at any resort in their Home Collection.
- From 12 months members can book into their home resort (where applicable).
- From 10 months members can book into ANY available resort in The Club.

### 6.4 Platinum Member Booking Windows

This new benefit, exclusive to Platinum members of The Club, provides an extended 30 day booking window for select Developer Inventory\* in certain resorts. You can now book 14 months in advance in your Home Collection, or 11 months in advance at other Collections.

\*The Developer owns certain inventory at many of the Collection resorts which is not part of a Collection. This inventory varies over time, by resort and by season. The Developer makes no guarantees regarding the amount, location, or type of Developer Inventory available through this benefit. For a complete and up-to-date list of Developer Inventory currently available to Platinum members for advance booking, please visit the Member Area/My Reservations/Simple Search. Access to Developer Inventory is subject to change without notice and in the sole discretion of the Developer.

## 7. RESERVATION PROCEDURES

### 7.1 Making a Reservation

Reservations can be made up to 10-14 months before the arrival date, depending on membership rights (see Section 6). You can make as many reservations as you wish, up to the value of the points available to you, as long as all Club dues and maintenance fees are current.

If you are restricted to traveling during peak seasons where demand is high, such as on public holidays and over school breaks, and you know your travel dates, then we suggest you confirm the booking request as far in advance as possible, particularly if you require larger size accommodation (e.g. two and three bedroom), as demand during these times is typically very high. All reservations are made on a first-come, first-served basis and are subject to availability.

Upon confirmation of a booking, you will be advised if there may be any additional charges during your stay.

### 7.1.1 Determine how many points are required

The points values for all of the resorts are listed in the Reservations Directory section of this book. To establish how many points are required:

- Determine the preferred dates of travel.
- Check the proposed travel dates against the Weeks Calendar for the year of travel to determine the week number.
- Select the preferred resort and use the grid to select the accommodation type and corresponding week number. The Reservations Directory will indicate the number of points required for a 7-night stay when checking in on a standard check-in day.

### 7.1.2 Searching for availability and booking your reservation

Book your stay quickly and easily online at DiamondResorts.com. To book your stay online, log in to the Member Area and go to Book with Flexible Search under My Reservations. You can search by location, experience, specific arrival date, date range or points range. Once your preferences are entered, select Search to display your options. You can choose to have your results displayed as a list or on a calendar. You can view prices in points, your currency, or points plus your currency. Make your choice, select Book It, and follow the steps to confirmation.

When searching availability using the Flexible Search feature, your FAVORITE places or WISHLIST places can display as top choices on the search engine. You can do this by tagging the places you love from the Member Area. Just select Locations, find a resort, hotel or cruise that you frequent or would like to visit and tag accordingly. FAVORITE places are denoted by a heart ♥ and WISHLIST places are denoted by a star ★.

Use the Find a Vacation feature to quickly search for availability worldwide by specifying the number of nights you wish to stay, number of occupants, and accommodation type. The accommodation types are denoted by icons: A Diamond Managed Resort, a Club Affiliated Resort, a Primary Member-Only Reservations Resort, and a Cruise. Choose your region and select a resort or cruise. The availability will return on a calendar. You can drag across the timeline to view and select availability.

### 7.1.3 Valued Getaways

Valued Getaways makes finding affordable vacations easy. Find all in one place reasonably priced 7 night stays for availability in The Club, The Club Select and Diamond Instant Getaways for 5,000 points or less.

Simply select your preferred month, year and region, and the Valued Getaways search engine does the rest.

### 7.1.4 Loyalty search requests

We will do the searching for you! Silver, Gold and Platinum members may set up an automated search either online or with a dedicated Member Services representative for a resort or region, date or date range, number of nights and any accommodation size or type, up to 10 months prior to arrival.

To use the search online feature if your desired availability is not found, you will automatically be given the option of placing an on-going search.

- Silver members may set up (1) one active search
- Gold members may set up (3) three active searches
- Platinum members may set up (5) five active searches

## 7.2 Points Values

### 7.2.1 Weekly points values

Weekly points values as shown in the Reservations Directory are valid when checking in on the designated check-in day, which is stated on each resort points table. If you stay for durations other than seven nights or check in on a day other than the designated check-in day, the nightly values apply.

### 7.2.2 Variable points values

When booking Club affiliated hotels, the points are shown as "starting at" with a nightly points rate.

### 7.2.3 Nightly, midweek and weekend points values

Reservations with a duration of less than seven nights are available at certain resorts. This also applies to additional nights booked following a standard weekly reservation (e.g., for a 10-night reservation, three additional nights will be charged as per this policy).

The points calculation for a stay of less than seven nights is as follows:

- Sunday to Thursday inclusive; each night is 10% of the weekly points value
- Friday and Saturday nights; each night is 30% of the weekly points value

Reservations made at selected Diamond managed resorts for arrival on a non-standard check-in day are calculated at short stay points values as noted above.

Any exceptions to this rule are indicated on the chart for the specific resort in the Member Directory. Current minimum stay for reservations with The Club is two nights unless otherwise noted. Remember you can always use your Diamond Flexibility benefit if you are needing additional points to complete your booking.

## 7.3 Reservations Less than 59 Days from Arrival

For certain resorts, if there is availability less than 59 days prior to arrival, then the standard check-in day weekly points values are discounted by 50%. For short stay points values at those selected resorts, a 50% discount will apply to all reservations made within 30 days of arrival. These reservations are subject to availability; however, they offer exceptional value for those with flexible travel plans and are offered on a first-come, first-served basis.

## 7.4 Reservations for the Following Year

If you are booking a reservation for the following year, then a deposit may need to be paid prior to the booking being confirmed. The remainder of the fees due will be invoiced at the usual billing time and must be paid by the due date on the invoice to ensure your reservation is not canceled.

## 7.5 Special Points Offers

The Club may offer additional points discounts to members to ensure optimum usage of a resort. These will be promoted in various ways, including but not limited to, on DiamondResorts.com and by email. To ensure you are receiving every value-packed offer available to you, please keep your contact preferences current.

## 7.6 Booking Accessible Accommodations

Reservations for accessible accommodations can be made by members with mobility requirements by calling the Access Requirements team. This team has access to book the accessible accommodation in Diamond managed resorts at the time of the call. If the resort requested is an affiliate, the team member will confirm if the resort offers the accommodation needed and ensure that the

resort is made aware of the request. We are not able to guarantee or confirm accessibility will be fulfilled at the affiliate resort, so the agent will contact the member to offer assistance for alternate accommodations, if required.

If you have any access requirements or needs you wish us to be aware of, or if you want assistance in locating a resort that can provide comfortable accommodations for your needs, please contact us at your earliest convenience. Accessible units are available on a first-come, first-served basis and are subject to availability.

- If you are traveling to North American or Asian resorts, please call 1.888.250.6150 or email [AccessRequirements@DiamondResorts.com](mailto:AccessRequirements@DiamondResorts.com)
- If you are traveling to European, Australasian or African resorts, please call 0345 359 0009 or email [AccessRequirementsEurope@DiamondResorts.com](mailto:AccessRequirementsEurope@DiamondResorts.com)

Accessible accommodation choices cannot be confirmed via online booking, however requests can be made at time of booking.

If accessible accommodations are not booked prior to 45 days before the arrival date, they will be released for general reservations.

## 7.7 Updating Accessibility Preferences

Please let us know of any accessibility requirements you have prior to arrival at the resort.

You can have your account flagged with details of which you would like us to be aware. You can update your accessibility profile online in the Member Area in Accessibility under Preferences. Tell your reservationist if booking by phone.

Each Diamond managed resort has its own Accessibility page at [DiamondResorts.com](http://DiamondResorts.com) that offers details about the resort including the surrounding terrain, grounds, accessibility of common areas, and any aids available on request such as shower chairs or toilet risers.

## 7.8 Third Party Reservations

As a member, you may make a reservation in your name and pass it on to family and friends for their personal use subject to obtaining a guest certificate. However, you are not allowed to make a reservation in your name and exchange it with anyone other than our appointed exchange company, Interval International (II). Reservations found to be made available to third parties other than with a valid guest certificate or through an II exchange will be cancelled, and the points used will be forfeited. This could also result in a suspension of membership.

## 7.9 Reservations Made for Commercial Gain

Bookings cannot be made for commercial gain. The Club has been created for the enjoyment of all members. Purchases and/or reservations made solely to sell or rent, for a profit or financial gain are not permitted. Advertising online or otherwise for such rental opportunities is likewise prohibited. If such practices are discovered, The Club reserves the right to cancel those bookings and may suspend and/or terminate your membership.

# 8. RESERVATIONS FOR YOUR GUESTS

## 8.1 Requesting a Guest Stay

You can make reservations for your family or friends without staying with them by advising Member Services that a guest, with your authorization, will be occupying the booked accommodation. A guest certificate will then be issued in the form of a confirmation email or letter in their name. The first guest certificate following the annual points allocation will be free and additional complimentary certificates may be offered, dependent on your membership level. All subsequent guest certificates for the remainder of that points allocation year will

require a fee per guest certificate, payable by credit or debit card upon booking. Only Primary members may check in at a Primary Member-Only Reservations Resort.

- Standard members receive (1) one complimentary guest reservation per year.
- Silver members receive (3) three complimentary guest reservations per year.
- Gold and Platinum members receive (5) five complimentary reservations per year.
- Guest reservation fees are \$35 per reservation.

## 8.2 Guest Certificate Rules

A guest is defined as anyone who checks in who is not the Primary or Associate member. If a guest does not present a guest certificate or confirmation in his or her name at the time of arrival, then the resort may not be able to complete the check-in.

## 8.3 Guest Responsibilities

Guests must comply with all rules and regulations governing The Club and the resort during their stay. Members ultimately take full responsibility for any infractions of the resort rules and will be responsible for payment of any expenses incurred or not settled by guests during their stay, as well as the cost of any damage caused by the guests.

A guest may bring additional people to stay, but the total number of guests must not exceed the maximum occupancy of the accommodation.

# 9. CANCELLING RESERVATIONS

## 9.1 Cancellation Penalties

Depending on the notification period, cancellation of a reservation will mean a loss of points calculated as a percentage of the points used.

Notification of cancellation percentage loss of points:

- 91–365 days prior to arrival date - 0%
- 61–90 days prior to arrival date - 25%
- 31–60 days prior to arrival date - 50%
- 0–30 days prior to arrival date - 100%

If you need to cancel a confirmed reservation, contact Member Services as soon as possible, or cancel online in the Member Area in Confirmed Reservations under My Reservations.

If you cancel a reservation, you may not re-book a similar reservation as a late availability reservation (see Section 7) or any other discounted points booking. Members are encouraged to purchase a Reservation Protection Plan (RPP) at the time of booking. This will ensure 100% reimbursement of the points charged for the booking should they need to cancel for any reason up to 31 days prior to arrival (except in the case of a reservation using Diamond Value points, where cash will be returned).

## 9.2 Points Returned Due to Cancellations

Points that have been returned as part of a cancellation can be saved for the following year as long as they have not been saved from a prior year and were not borrowed points from the following year. Saving points deadlines still apply.

## 9.3 Club Operating Company Cancellations

The Club may have to cancel reservations in certain circumstances, such as in the instance of a natural disaster, or when a resort ceases to be part of The Club portfolio or becomes unsuitable for use. In these

unusual instances, The Club will give as much notice as possible and will offer alternative arrangements.

# 10. RESORT CHECK-IN

## 10.1 In-Resort Rules

Each occupant of the accommodation must comply with the rules of that resort and The Club at all times. No member or guest is permitted to keep an animal, bird, fish or other livestock in a resort accommodations other than where The Club and/or resort rules allow, such as in the case of service animals.

## 10.2 Check-in after the Planned Arrival Date

If members are not intending to check in at the resort on the originally booked date of arrival or their plans change and they are unable to arrive as previously scheduled, they must contact the resort Front Desk/Reception 24 hours prior to the original arrival date and advise when they will be arriving. Failure to do so may result in the cancellation of the booking and the possibility that there may be no availability when the member arrives.

## 10.3 Non-Arrival

If members do not cancel a reservation and do not use their reservation, then they forfeit the points used for that booking and may be charged a no-show fee.

# 11. INTERVAL INTERNATIONAL® (II)

## 11.1 II Membership

As a member of The Club, you are automatically enrolled in an Interval International® membership. II offers an exchange service through a network of approximately 2,900 resorts in over 80 countries. II provides its members with comprehensive exchange services and a variety of other exciting benefits that offer value and convenience at home and on the road.

All II benefits, processes and procedures are subject to their rules, policies and fees, and may be subject to cancellation/change without notice. II memberships may be disrupted if Club fees are not paid by the due date. This could result in a delay in II usage.

## 11.2 Requesting an II Exchange

You may go online to Intervalworld.com, log in to your account and search for availability. You may place a request by using your II member number online or by calling Member Services and placing a request with an agent.

The number of points required to make an exchange with II is available in a table in the annual II directory. The number of points required to make a reservation depends on the level of resort, season and accommodation size. All II-related exchanges or II Getaway transactions are subject to II's terms and conditions, which can be found at Intervalworld.com and in the back of the annual II directory.

Upon placing a request, the applicable II exchange fee will be charged. II charges a different fee for domestic/short haul and international/long haul exchanges, and fees are subject to change.

You can use points saved from the previous year to make a booking with II for the following year, therefore having a potential three-years for use, (e.g. if you saved 2017 points to 2018, you could make an II exchange reservation in 2018 for arrival in 2019.) The deadline to do this is October 31 of every year.

### 11.3 II Pending Reservations

If II is unable to confirm a request instantly, you may place a pending request for the location(s) and date(s) desired. New weeks are added to II's system every day. By placing a pending request, you give yourself a better chance of securing your request, as the system will usually match new weeks deposited to requests that have already been placed. II requires that you select a minimum of one resort with three arrival dates or three resorts with one arrival date to place a formal request. An exchange fee is payable at the time of registering a pending request to allow for immediate confirmation if a match is secured.

### 11.4 II Cancellations

In the event of a cancellation, II retains the points used and allows you to make an alternative booking for anything up to one year, providing you have given sufficient notice. Full details of II's cancellation policy can be found at Intervalworld.com or in the annual II directory.

### 11.5 II Guest Certificates

You can confirm an II exchange booking and allow someone else to use the reservation. You must request a guest certificate from II for which you will be charged. You will be notified of this charge at the time the request is made. The person checking in to the resort must be at least 21 years of age. Guests will not be given access to a resort or accommodation unless they have a guest certificate in their possession.

### 11.6 II Short Stay Exchanges

II makes short stay exchange bookings available online for three to six night durations. These transactions are subject to an exchange fee, and are only available to members with Interval Gold® membership.

## 13. TRAVEL RELATED MEMBER BENEFITS

### 13.1 Cruises

Your cruise options now offer excellent values in cruising, and the flexibility to use points and cash, or all points, depending on the cruise booked.

#### 13.1.1 Cruises (using points)

Sail away and enjoy a variety of cruise itineraries from our cruise partners. Do as much or as little as you like: Enjoy mouthwatering food, award-winning entertainment, a variety of on-board activities, exciting ports-of-call, off-shore excursions and so much more. These cruises can be booked instantly using all points, up to 10 months in advance of arrival. If you do not have enough points available, your Diamond Flexibility benefit can be used to complete your reservation.

#### 13.1.2 Diamond Luxury Cruises (using points and cash)

These cruise selections offer a "Best Available Rate" guarantee and are subject to terms and conditions.

##### Example for Gold and Platinum members:

7-night Western Caribbean Cruise with Royal Caribbean®:

- Example cost for two people in a large Oceanview Stateroom\* for this cruise is \$1,241.11\*
- You may choose to pay for up to 30% of this cruise with your points; you are provided an instant redemption rate of \$.30 per point
- $\$1,241.11 \times 30\% = \$372.33$ , so subtracting this from the total cost means your cash purchase is now \$868.78
- $\$372.33$  divided by \$.30 per point = 1,241 points

This cruise can be booked for \$868.78 plus 1,241 points.

##### Example for Standard and Silver members:

7-night Eastern Caribbean Cruise with Carnival Cruises®:

- Example cost for two people in an Inside Cabin\* for this cruise is \$1,203.29\*
- You may choose to pay for up to 20% of this cruise with your points; you are provided an instant redemption rate of \$.20 per point.
- $\$1,203.29 \times 20\% = \$240.66$ , so subtracting this from the total cost means your cash purchase is now \$962.63
- $\$240.66$  divided by \$.20 per point = 1,203 points

This cruise can be booked for \$962.63 plus 1,203 points

\*Taxes and additional charges may apply.

### Go Green

Diamond Resorts is actively taking steps to be an environmentally conscious, sustainable, global organization that recognizes how our actions affect the lives of our members, owners and guests, our communities and ultimately, our planet.

When visiting a Diamond resort, we ask that you:

### Save Electricity

Switch off unnecessary lights, air conditioning and other electrical appliances.

### Save Water

By showering you use half as much water as a bath. Do not use the toilet as a wastepaper bin and do not leave the water running while shaving, brushing your teeth or washing up.

### Protect Nature

Do not leave litter. Paper, metal and plastic are harmful to nature and do not biodegrade.

### Recycle

Please help us keep our resorts environmentally friendly by depositing separated rubbish in the designated areas. We appreciate your help keeping our resorts clean and protecting the environment by reducing, reusing and recycling.

Together, we can truly make a difference.

## 16.8 Sustainable Gardens

In order to become more environmentally conscious, many of our resorts are growing their own sustainable gardens featuring a variety of healthy, fresh fruits and vegetables. Each garden boasts unique features and hosts an array of fresh produce native to the area while specific to the cultural cuisine and restaurant offerings. In addition to cooking benefits for the restaurants, the gardens have also proven useful as an educational tool for guests and children as they are allowed to tour the gardens, pick fresh ingredients and participate in cooking demos.
